A Very Private Celebrity Hugh Purcell, 2015-07-07 John Freeman was one of Britain's most extraordinary public figures for over half a century a renaissance man who constantly reinvented himself a household name who sought complete anonymity From advertising executive to war hero to MP tipped to be Prime Minister Freeman then changed direction to become a seminal television interviewer and editor of the *New Statesman* He subsequently remodelled himself yet again to become in turn an ambassador a TV mogul a university professor and finally in retirement a well known bowls player in south London Freeman packed nine lives into his ninety nine years but all he really wanted was to be forgotten The paradox of this private celebrity was captured by the very series that made him famous *Face to Face* While Freeman remorselessly interrogated the stars of his age he himself sat in the shadows his back to the camera He was the grand inquisitor exposing the personalities behind the public figures but never his own For ten years Hugh Purcell has been tracking Freeman's story trying to come face to face with this enigma who believed in changing his life and his wife every ten years Why did Freeman want to forget what most old men would be proud to remember Why did he try to erase himself from history And yet despite Freeman's best efforts to be ignored his death in 2014 was marked by an enormous outpouring of appreciation and admiration With his life now free from its shroud of inscrutability the true story of this incredibly multifaceted man can finally be told

**Sisyphus and Reilly** Peter Luke, 1972 **Writers Directory** NA NA, 2016-03-05

The Dark Landscape of Modern Fiction Patrick Reilly, 2018-05-08 This title was first published in 2003 This text explores the dark pessimistic truth that pervades the pages of modern texts setting a theme of Dante's *Inferno* against the work of modern authors including Dostoyevsky Hardy Conrad Wharton Kafka Camus Waugh and Flannery O'Connor The author's thesis is that these writers exhibit a hostility towards the reader an anger that the reader should continue to be so deludedly happy when the writer has become so mortifyingly enlightened At its most characteristic Reilly demonstrates modern fiction

seems to achieve a savage satisfaction in inflicting this pain to an extent that could be described as sadistic Reilly traces what he calls this punitive spirit to a character in the Inferno Vanni Fucci who suffering himself does his best to make Dante suffer too Through the study he uses the Inferno as a guide to the prevailing attitudes in modern fiction revealing a parallel between the prohibition of pity within the medieval poem and in the pages of modern texts **British Film and Television**
