What started out as a guy getting stoned ends up being a man on a mission to help heal the world An uphill battle with addiction soon took a turn for something supernatural when he finds out we all have a little quirk within us that is misunderstood Thrown into a situation unlike anything he could have ever imagined questioning reality his faith and spirituality are tested bringing him to new heights as he finds solace in a new found life path Technology and humanity have whole new meanings for him as he lives out his life with one foot in the past his body in the present and mind in the future with all of the realities existing simultaneously *Hood Legends* Michael Jourdain,2022-02-14 What you are about to read is the first part of a multipart story about my life parts of my life that involve gangbanging and not just any kind of gangbanging but gangbanging of the deepest type Gangbanging on the notorious streets of South Central Los Angeles Moreover my life evolved from gangbanging to a leading role in America's drug culture While these things are true about my life I want to make one thing very clear nothing that you are about to read is meant to glorify either gangbanging or drug culture in fact it is my sincere hope that the telling of my life story will steer the youth and others away from both paths as they literally lead to dead ends So if you are reading this know that if I had it to do all over again I wish that I had been dealt the kind of cards in life that would have prepared me for an Ivy League college like Harvard Princeton Yale etc rather than state and federal prison **Proceedings of the Twenty-Third Annual Conference of the Cognitive Science Society** Johanna D.
