Prince, 2016-09-09 In the post World War II era authors of the beat generation produced some of the most enduring literature of the day More than six decades since work of the Beat Poets conjures images of unconventionality defiance and a changing consciousness that permeated the 1950s and 60s In recent years the key texts of Beat authors such as Allen Ginsberg William S Burroughs and Jack Kerouac have been appropriated for a new generation in feature length films graphic novels and other media In *Adapting the Beat Poets* Burroughs Ginsberg and Kerouac on Screen Michael J Prince examines how works by these authors have been translated to film Looking primarily at three key works Burroughs *Naked Lunch* Ginsberg's *Howl* and Kerouac's *On the Road* Prince considers how Beat literature has been significantly altered by the unintended intrusion of irony or other inflections Prince also explores how these screen adaptations offer evidence of a growing cultural thirst for authenticity even as mediated in postmodern works Additional works discussed in this volume include *The Subterraneans* *Towers Open Fire* *The Junky's Christmas* and *Big Sur* By examining the screen versions of the Beat triumvirate's creations this volume questions the ways in which their original works serve as artistic anchors and whether these films honor the authentic intent of the authors *Adapting the Beat Poets* is a valuable resource for anyone studying the beat generation including scholars of literature film

The Beat Generation FAQ Rich Weidman, 2015-09-01 The Beat Generation FAQ is an informative and entertaining look at the enigmatic authors and cutting edge works that shaped this fascinating cultural and literary movement Disillusioned with the repression and conformity encompassing post World War II life in the United States the Beat writers sought creative alternatives to the mind numbing banality of modern culture Beat Generation writers were no strangers to controversy Both Allen Ginsberg s prophetic William Blakean style poem Howl 1956 and William S Burroughs groundbreaking novel Naked Lunch 1959 led to obscenity trials while Jack Kerouac s highly influential novel On the Road 1957 was blamed by the establishment for corrupting the nation s youth and continues to this day to serve as a beacon of hipster culture and the bohemian lifestyle The Beat writers shared a vision for a new type of literature one that escaped the boundaries of academia and employed an organic use of language inspired by the spontaneity and improvisational nature of jazz music and abstract expressionism Kerouac coined this writing style spontaneous prose In search of deeper meaning Beat Generation writers experimented not only with language but also with spirituality art drugs sexuality and unconventional lifestyles Although the movement as a whole flamed out quickly in the early 1960s replaced by the onset of the hippie counterculture the Beats made an indelible mark on the nation s consciousness and left a long lasting influence on its art and culture This book details the movement its works creative forces and its legacy

Barber, 2014-12-09 Best known for his novel *Trout Fishing in America* American writer Richard Gary Brautigan 1935-1984 published eleven novels ten poetry collections and two story collections as well as five volumes of collected work several nonfiction essays and a record album of spoken voice recordings Brautigan's idiosyncratic style and humor caused him to be identified with the counterculture movement of the 1960s The authors of many of these 32 essays knew Brautigan personally and professionally others came to know and respect him through a cultivated connection with his writings The essays many of which are new others of which were published in obscure journals combine personal remembrance of the man and critical appraisal of his still controversial works Includes previously unpublished photographs and artworks *Global Awakening* Michael Schacker, 2012-12-14 Shows how we must make deep changes to complete our paradigm shift from the old mechanistic worldview to the new organic worldview Reveals the distinct stages of paradigm shifts through the ages including the 18th century Enlightenment and the critical stage of our current shift Explains how the new organic worldview began with Goethe and Kant Offers solutions for each of us to be able to realize and make the deep changes needed for global regeneration In *Global Awakening* Michael Schacker shows that hidden within our global crises is a positive future for the planet Sharing his 30 years of intensive research into the history of change as well as the evolution of consciousness and regenerative science Schacker explains how our current shift from the old mechanistic worldview to a new organic worldview based on biological models follows the same pattern as other paradigm shifts across history including the 18th century Enlightenment and the American Revolution He reveals the creative geniuses who have contributed to the birth of the organic worldview beginning with

Goethe Kant and Hahnemann Exposing the scientific and social forces that drive paradigm shifts he details the stages every paradigm shift progresses through the early Enlightenment the conservative backlash the intensive phase and the transformational phase leading to the Organic Shift Explaining that we are currently in the throes of the paradigm flip the critical last phase of our paradigm shift Schacker shows how the mechanistic worldview is crumbling around us and nothing but a complete transformation in the way we think will keep us from the path of total self destruction Providing a map to overcome the allure of the simplistic mechanical model that has spawned countless unsustainable practices and problems from global warming to intense economic disparities the author offers concrete solutions showing how each of us can use our talents skills and time to make the deep changes needed for global regeneration Golden Dreams Kevin Starr,2009-07-10
