Six Figure Woman:

Secrets of Six-Figure Women Barbara Stanny, 2009-10-13 According to the Department of Labor the average woman in 1998 was bringing home less than 25 000 a year For every dollar that a man makes a woman makes between 50 and 75 cents and that is hardly news But what you may not know is that quietly and steadily the number of women making six figures or more is rapidly increasing Currently over fifteen million women make 100 000 or more and the number continues to rise at a rate faster than for men And these women come from every industry psychologists dot com founders consultants freelance writers and even part timers What makes these particular women able to do so well in the workplace Fueled by curiosity Barbara Stanny author of Price Charming Isn't Coming How Women Get Smart About Money Viking Penguin set out to research this phenomenon What she discovered was that though the high earning women she interviewed came from different backgrounds and had had greatly different work experiences they all had certain characteristics in common Secrets of Six Figure Woman Surprising Strategies of the Successful High Earners will be a ground breaking book for high earners who want to ensure their wealth enhance their success and learn from others who are in the same boat It will also offer inspiration guidance and motivation to those who aspire to make more Summary & Analysis of Secrets of Six-Figure Women ZIP Reads, PLEASE NOTE This is a summary and analysis of the book and not the original book If you'd like to purchase the original book please paste this link in your browser <https://amzn.to/2vOEeGi> Saying you want to earn more money isn't enough truly believing that you can is the key In Secrets of Six Figure Women Surprising Strategies To Up Your Earnings And Change Your Life Barbara Stanny presents seven strategies based on extensive research that will show you how to overcome personal and professional obstacles to become a six figure woman What does this ZIP Reads Summary Include Synopsis of the original book The seven strategies for becoming a six figure earner Common pitfalls many women experience Key Takeaways from each chapter Editorial Review Background on the author About the Original Book Barbara Stanny's second book Secrets of Six Figure Women is the culmination of hundreds of personal interviews her particular background in business years as a journalist and her master's degree in psychology Contained in these pages you will find basic advice for changing your mindset to match that of successful high salaried women By following the seven strategies Stanny has distilled from all her interviews you will have the tools to be positive overcome your fears and strive for things you never thought possible This book is the first step on your journey to greater financial success and overall happiness **DISCLAIMER** This book is intended as a companion to not a replacement for Secrets of Six Figure Women Surprising Strategies To Up Your Earnings And Change Your Life ZIP Reads is wholly responsible for this content and is not associated with the original author in any way Please follow this link <https://amzn.to/2vOEeGi> purchase a copy of the original book We are a participant in the Amazon Services LLC Associates Program an affiliate advertising program designed to provide a means for us to earn fees by linking to Amazon.com and affiliated sites Summary and Analysis Black Book, 2018-11-29 The Six

Figure Woman Women today are raking in the profits and making more money than ever before The high earners include entrepreneurs corporate executives professionals and even part timers Chances of high incomes are increasing faster than men s From 1996 to 1998 the number of high earning females shot up 68% versus 36% for men It s a fact We ve entered the era of the six figure woman Still fewer than 20% of six figure earners are female and most women remain sorely underpaid Stanny talked with more than 150 high earning women in researching this book and they were surprisingly candid about their personal and professional lives Up until writing a book on how women can get smart with their money Stanny was financially oblivious clinging to her father s worldview that managing money was a man s job But these conversations with financially savvy women changed everything I now invest with confidence Despite their desire to want to start investing many women do not think they can cobble together enough money to do so They don t even consider the possibility that they can make more money eluding to a string of excuses They view making more money as an impossible task That s exactly how I used to feel But all that has changed since I learned the secrets of the six figure women I interviewed My income soared before I even finished writing the book For more information click on BUY BUTTON *Summary and Analysis of Secrets of Six-Figure Women* Z. Bentley University and former White House adviser on women's issues. If you're looking to master your money and your life, you've got to read this book. Carol Kline, coauthor of New York Times bestsellers *Happy for No Reason* and *Love for No Reason*.

Drop the Ball Tiffany Dufu, 2025-08-22 Tiffany Dufu's *Drop the Ball* is a bold and inspiring memoir and manifesto from a renowned voice in the women's leadership movement that shows women how to cultivate the single skill they really need in order to thrive: the ability to let go. Once the poster girl for doing it all after she had her first child, Tiffany Dufu struggled to accomplish everything she thought she needed to in order to succeed. Like so many driven and talented women who have been brought up to believe that to have it all, they must do it all, Dufu began to feel that achieving her career and personal goals was an impossibility. Eventually, she discovered the solution: letting go. In *Drop the Ball*, Dufu recounts how she learned to reevaluate expectations, shrink her to-do list, and meaningfully engage the assistance of others, freeing the space she needed to flourish at work and to develop deeper, more meaningful relationships at home. Even though women are half the workforce, they still represent only eighteen per cent of the highest level leaders. The reasons are obvious: just as women reach middle management, they are also starting families. Mounting responsibilities at work and home leave them with no bandwidth to do what will most lead to their success. Offering new perspective on why the women's leadership movement has stalled and packed with actionable advice, Tiffany Dufu's *Drop the Ball* urges women to embrace imperfection, to expect less of themselves and more from others, only then can they focus on what they truly care about, devote the necessary energy to achieving their real goals, and create the type of rich, rewarding life we all desire.

The Everything Guide To Personal Finance For Single Mothers Book Susan Reynolds, Robert Bexton, 2007-04-12 Are you a single mother who worries about your family's financial future? *The Everything Guide to Personal Finance for Single Mothers* has the savvy financial advice you really need.
