Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971 New York Public Library. Research Libraries,1979 Catalogue Columbia University,1918 **Wallace Stevens among Others** David R. Jarraway,2015-09-01 In Wallace Stevens among Others David Jarraway explores the extraordinary achievement of Wallace Stevens but in contexts that are not usually thought about in connection with Stevens s work gay literature contemporary fiction Hollywood film and avant garde architecture among others By viewing the poet among these other contexts Jarraway considers the nature of self reflection and pays special attention to the discrediting of self presence as the principle of identity in American writing a theme that reflects American authors abiding concern for subjectivities that engage the world from spaces of distance and difference By returning to the work of Stevens Jarraway seeks to refurbish this preoccupation by linking it to the literary theory of French philosopher Gilles Deleuze whose work applies to American writers from Melville and Whitman to Fitzgerald and Cummings Jarraway forges the link between Deleuze and Stevens by drawing out the female subjectivity found in each writer s work to rethink the more static masculinist premises of being Informed by a deep knowledge of and fluency with the work of Stevens and Deleuze Jarraway uses these writers as a means of entry into American literature and culture Wallace Stevens among Others is a sophisticated analysis that will open new directions for future scholarship **Catalogue** United States Naval Academy,1969

Alphabetic Catalogue of the English Books in the Circulating Department of the Cleveland Public Library Cleveland Public Library,1889 **Announcement** University of Michigan--Dearborn,1977 **American Writers** Elizabeth H. Oakes,2004 American Writers focuses on the rich diversity of American novelists *The Bookseller, Newsdealer and Stationer* ,1899 **Class-room Libraries for Public Schools** Buffalo Public Library (Buffalo, N.Y.),1909 American Literature in the Era of Trumpism Dolores Resano,2022-08-23 This edited collection offers an exploration of American literature in the age of Trumpism understood as an ongoing sociopolitical and affective reality by bringing together analyses of some of the ways in which American writers have responded to the derealization of political culture in the United States and the experience of a new American reality after 2016 The volume s premise is that the disruptions and dislocations that were so exacerbated by the political ascendancy of Trump and his spectacle laden presidency have unsettled core assumptions about American reality and the possibilities of representation The blurring of the relationship between fact and

fiction bolstered by the discourses of fake news and alternative facts has not only drawn attention to the shattering of any notion of shared reality but has also forced a reexamination of the purpose and value of literature especially when considering its troubled relation to the representation of America The authors in this collection respond to the invitation to reassess the workings of fiction and critique in an age of Trumpism by considering some of the most recent literary responses to the new American realities including works by Colson Whitehead Ben Winters Claudia Rankine Gary Shteyngart Jennifer Egan and Steve Erickson to name but a few some of which were composed in the run up to the 2016 election but were able to accurately and incisively imagine the world to come **The Open Shelf** ,1900 **The Bookseller** ,1909 Official organ of the book trade of the United Kingdom **Torch and Colonial Book Circular** ,1888
