Barbara Lane, 1999 This easy to use well written guidebook is filled with new stories of the clues people have followed to their own past lives and distills a great deal of information for identifying and understanding those clues Lane shows how a person's home career relationships likes and dislikes fears and even clothes can point to past lives and illustrate our multidimensional nature

16 Clues to Your Past Lives Barbara Lane, Barbara Lane Ph D, 2012-05-29 Who were you Who were your friends family co workers lover You are a walking billboard about your past lives and so are those around you We all literally wear clues to our past lives on our sleeves We also find them in our closets and on our bookshelves watch them at movies and reveal them in our careers After discovering your own 16 past life clues you will begin piecing together your personal past life puzzle including the roles of those around you both past and present You will find that you are indeed a multi dimensional being and that death is just a chance to refill your spiritual gas tank for the next trip Discover how to find past life clues in your present life and piece them together Recognize the clues to your past lives in this life Explore ways to interlace these clues together Learn to interpret what those clues may say about past lives View your relationships in a fresh way based on your discoveries CAUTION After reading this you may never look at yourself your life or your relationships in the same way again Updated version

Reincarnation & Hyperlink Theory CARLOS RUIZ POLEO, 2013-03 A vision type dream on someone so far unknown to him and a series of personal experiences shatter the religious convictions of the author of this book as he struggles for more than twenty years to find a logical explanation for inter connected events and premonitory dreams In the search for his possible connection with the man in the dream an ex president of the USA he analyzed several theories and finally found one that suggest another world and the existence of one life or many others beyond this one Straining against all that he had previously believed he initially discounts the possibility of reincarnation but after countless discards and rejections he finally accepts it as being the only rational explanation to the doubts presented In a process of past life regression inexplicable new evidence and memories appear which are later corroborated However he blatantly refuses to accept these memories as being his own because there is no scientific approach to justify their existence in his mind as there had been no regular inputs or physical recording process in the brain which could account for their presence As a result of this a theory forms in the author's mind which he refers to as Hyperlink which could offer a rational explanation for the possible access to remote memories of past lives and opens in the process a window on a world without the limits of time or space one in which reincarnation links all
