Skin Surface Substance And Design

Stephen Monteiro

Skin Surface Substance And Design:

Skin Ellen Lupton, 2007-06-14 A companion to an exhibition at the Smithsonian Institution from May to September 2002 illustrates designs relating to coverings that resemble in some way or another human skin Organics artificial and digital skin vessels and membranes padding and protection and warps and folds are among the dimensions explored Annotation copyrighted by Book News Inc Portland OR

Skin Ellen Lupton, 2002 Surface and Deep Histories Anuradha Chatterjee, 2014-06-26 Surface in architecture has had a deeper and a more pervasive presence in the practice and theory of the discipline than is commonly supposed Orientations to the surface emerge collapse and reappear sustaining it as a legitimate theoretical and artefactual entity despite the twentieth century disciplinary definition of architecture as space structure and function Even though surface is defended for its pervasiveness Kurt Forster its function as a theoretical motif with generative power Andrew Benjamin and in constituting the operative principles of modern architecture as a visual phenomenon Mark Wigley it occupies the interstice or the space of the unconscious within architectural discourse from where it defends its legitimacy as architecturally valuable or functional as opposed to merely visually pleasurable Surface and Deep Histories positions surface within the scholarship of critical theory and design based approaches and invites academics and designers and art and architectural historians based in Australia to consider the uses figurations scales and typologies of surfaces The collection choreographs contributions that focus on a variety of topics such as montage and construction of colonial modernity and visual culture Molly Duggins wallpaper rational space and femininity Anna Daly the inter constituted nature of bodies clothes and cities Stella North the reconstruction of the urban surface through a true integration of information and topology M Hank Haeusler James Fergusson s theory of ornament Peter Kohane traditional and new verandahs in Australia Chris Brisbin contradictory effects of surface in Green architecture debates Flavia Marcello and Ian Woodcock and the thickness of thin curtain walls in contemporary Australian architecture Anuradha Chatterjee Surface and Deep Histories shows that surface is not thin spatially or conceptually It demonstrates that the practice of surface is simultaneously superficial and pervasive symbol and space meaningful and functional static and transitory and object and envelope

FABRIC[ated] Tolya Stonorov, 2023-07-10 FABRIC ated examines fabric as a catalyst for innovation reflection change and transformation in architecture This book explores the ways in which research and development of fabric can and historically has influenced and revolutionized architecture teaching and design Responsive flexible impermanent fluid and adaptive fabric interacts with and influences architecture offering innovative solutions and increased material responsibility Foundation and theory chapters establish clear precedent and futures for fabric s position in architectural discourse The case study section examines 14 international projects through three different threads Veiling Compression and Tension Case studies include a diverse range of projects from the HiLo unit at Nest and CAST s fabric formed concrete projects to a discussion of the impact of fabric on SO IL and Kennedy Violich Architect s professional work

demonstrating new and fresh methods for addressing sustainability and social justice through the use of fabric in architecture Through the work of the many authors of this book we see fabric as drape skin veil mold concept and inspiration Fabric in its broadest definition is an important and innovative material in the development of socially conscious architecture Offering readers pedagogical and practical models for international projects highlighting fabric s use in architecture this book will appeal to the novice and the expert architecture students and practitioners alike

The Routledge Companion to Criticality in Art, Architecture, and Design Chris Brisbin, Myra Thiessen, 2018-10-03 The Routledge Companion to Criticality in Art Architecture and Design presents an in depth exploration of criticism and criticality in theory and practice across the disciplines of art architecture and design Professional criticism is a vital part of understanding the cultural significance of designed objects and environments that we engage with on a daily basis yet there is evidence to show that this practice is changing This edited volume investigates how practitioners researchers educators and professionals engage with think about and value the practice of critique With contributions from a multi disciplinary authorship from nine countries the UK USA Australia India Netherlands Switzerland South Africa Belgium and Denmark this companion provides a wide range of leading perspectives evaluating the landscape of criticality and how it is being shaped by technological and social advances Illustrated with over 60 black and white images and structured into five sections The Routledge Companion to Criticality in Art Architecture and Design is a comprehensive volume for researchers educators and students exploring the changing role of criticism through interdisciplinary perspectives

Surfaces Joseph A. Amato, 2013-05-08 In this book that interweaves history anthropology epistemology and aesthetics the author traces the human relationship with surfaces from human evolution up to the contemporary world

Graphic Design, Referenced Bryony Gomez Palacio, Armin Vit, 2012 From Caslon and Carson from Gutenberg to Greiman from Lascaux to letterpress and from Postmodernism to pixel among other entries this title will provide all the necessary information and visual cues that designers need to know in order to become empowered work efficiently and knowingly and survive in a design conversation with peers

Materials Experience 2 Owain Pedgley, Valentina Rognoli, Elvin Karana, 2021-09-23 Materials Experience 2 Expanding Territories of Materials and Design is the follow up companion to Materials Experience published in 2014 Materials experience as a concept has evolved substantially and is now mobilized to incorporate new ways of thinking and designing Through all new peer reviewed chapters and project write ups the book presents critical perspectives on new and emerging relationships between designers materials and artifacts Subtitled Expanding Territories of Materials and Design the book examines in depth the increased prevalence of material driven design practices as well as the changing role of materials themselves toward active and influential agents within and outside design processes The book is essential reading for anyone involved in materials and design containing 11 authoritative chapters and 18 illustrated accounts of contemporary research projects and practices Presents both the knowledge and understanding of what new and emerging materials are where they come from and how

they can be used effectively in design Looks at how the professional responsibility of material selection is evolving into a more complex and active role of material creation and appropriation Explores how an elevated sensitivity to materials influence people s experiences of the designed world **Finding Augusta** Heidi Rae Cooley,2014-03-04 Finding Augusta breaks new ground revising how media studies interpret the relationship between our bodies and technology This is a challenging exploration of how for both good and ill the sudden ubiquity of mobile devices GPS systems haptic technologies and other forms of media alter individuals experience of their bodies and shape the social collective The author succeeds in problematizing the most salient fact of contemporary mobile media technologies namely that they have become like highways and plumbing an infrastructure that regulates habit Audacious in its originality Finding Augusta will be of great interest to art and media scholars alike **The Screen Media Reader** Stephen Monteiro,2017-01-12 Offers key historical and interpretative texts on the development and role of the screen in communications and the social sphere

Embracing the Song of Term: An Emotional Symphony within **Skin Surface Substance And Design**

In some sort of eaten by screens and the ceaseless chatter of quick conversation, the melodic elegance and emotional symphony created by the published word usually fade in to the background, eclipsed by the constant noise and disturbances that permeate our lives. Nevertheless, set within the pages of **Skin Surface Substance And Design** a stunning literary treasure filled with natural feelings, lies an immersive symphony waiting to be embraced. Crafted by an elegant musician of language, that charming masterpiece conducts viewers on an emotional journey, well unraveling the hidden tunes and profound influence resonating within each cautiously constructed phrase. Within the depths with this moving analysis, we can examine the book is central harmonies, analyze its enthralling publishing design, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
