Skin And Liars:

Skin & Liars Dennis Foon, 1988 Two plays from one of Canada's leading writers and directors of theatre for young people. *Skin* is about the personal difficulties brought about by racism especially as it affects young adults in the school system. In *Liars* Lenny and Jace are a pair of teenagers who both have parents who are alcoholics. *Skin ; And, Liars* Dennis Foon, 2010 *When the Sun Burns My Skin* Alexis Lavoie, 2025-07-30 The city of Atarah rests on Vancouver Island and is a hub for the unexplained. Here invasive blackberry brambles immediately regrow when cut, an expansive web of tunnels extends kilometres below the city and twenty-five-year-old Rebecca Border is haunted by trauma and hunted by a demon in the shape of a bird. Narrowly escaping an attack from this Demon in Bird's Clothing, Rebecca is saved by the vampire Alexis, whom Rebecca can't help but notice is as stunning as she is powerful. Alexis warns Rebecca of a looming vampiric threat, one Alexis has hunted since the Crusades and that is a danger to not only Atarah but the entire world. Thrust into a battle she never asked for with monsters beyond her comprehension, Rebecca is set on a path that will lead her to not only confront her past but also discover the unexpected connections between her Indigenous heritage and the history of the vampires. Together, she and Alexis might just stand a chance of emerging from the coming war and their traumatic lives in one piece. *The Skin Game* John Galsworthy, 1920 ***Skin Game* J.D. Allen, 2019-02-08** PI Jim Bean should walk out that door and let the Vegas bouncer do his worst. That's what an ordinary man would do. But nobody ever accused Jim Bean of being ordinary. Private investigator Jim Bean has worked hard to create his new identity in Vegas. He doesn't have a great life, but it's his. When his ex-fiance Erica Floyd walks into one of his investigations looking for her missing sister, the tragic past he wanted to leave behind comes flooding back. Despite serious reservations, Jim agrees to search for Erica's sister. Clues lead him to a human trafficking ring and one of Vegas's most influential mobsters. Unless Jim can face the ghosts of his past, the anger of his present, and a new enemy out for his blood, four women will suffer a fate worse than death. Praise for *Skin Game*. With one foot in the classic PI tradition and the other in the new age, *Skin Game* is no roll of the dice. J.D. Allen delivers a smart, fast-paced book that will keep the reader on edge from start to finish. Reed Farrel Coleman, New York Times bestselling author of *What You Break*. *Skin Game* is a very solid adventure through the Las Vegas underworld. *Crimespree Magazine*. *Skin Game* never tries to be more than it is, and that works in its favor. Instead, fully engaging with the expected tropes, Allen turns the novel into something akin to comfort food for those who enjoy this type of story. That is important and will surely make fans of classic PI novels place Allen on their radar and keep an eye out for whatever she does next. *Criminal Element*. Praise for *19 Souls*. Book 1 of the *Sin City Investigation* series. Allen's plotting and pacing will keep you up long after Proust and Henry James have rocked you to sleep. Stay tuned for a series that promises many, many more troubled dreams. *Kirkus Reviews*. Bean's inner and outer dialogue is quick, snappy, and authentic to the profession. The pace is earnest as leads, tips, and information eventually congeal into answers. Final pages are highly suspenseful and dramatic. *19 Souls* introduces a memorable PI.
