and almost every other kid strip ever created continues through the Depression under threatening European war This fourth volume collects the complete daily strips from 1934 1936 at the height of Crosby s one man political and social crusade Crosby influenced cartoonists from Charles Schulz to Walt Kelly to Garry Trudeau and perhaps more than any other cartoonist before him brought philosophy and politics to the American newspaper comic strip In the end it would be his outspoken political and philosophical beliefs that would place him increasingly outside the mainstream of 1940s American culture ultimately leading to his exile from comics and his forced incarceration in a mental institution for the last sixteen years of his life As a result of his tragic end Crosby s remarkable contributions to American culture have been largely eclipsed until now Bonus materials include many photographs and rare artwork from the collection of the cartoonist s daughter Joan Crosby Tibbetts
