Sky High Faith:

Sky High Faith Ken Gaub, 1995-06 Practical and inspirational tips for strengthening relationships motivating yourself and others in business and personal peace *Poppy's Faith* Harry H. Bound, 2013-05-21 Children born into twenty first century America are immersed in a society no other generation in our great nation has ever experienced The influence of Christianity the Bible and the church have been minimized and in some cases silenced The Biblical mandate for the family to do the work of informing and training children in the things of God has never been more important Poppys Faith is a step in this direction it is a series of short stories that chronicle Gods involvement in the life of a regular guy from boyhood through retirement Although it is addressed to the grandchildren of one family the stories communicate the power of God to everyone Poppys Faith serves as a template and an inspiration to parents and grandparents who have the burden to keep the flame burning and pass the torch of faith in Christ to the next generation *Adventures of Faith* Faith Annette Sand, 2009 Christians today instead of being one as Christ mandated his followers tend to be fractious and willing to judge others out of their community of faith With a fresh approach to what is dividing the church Ms Sand is calling for a renewal of our commitment to Christ and to one another Taking a novel approach to the homosexual issue causing so much dissension the author claims we are blaming the victims and not the true perpetrators of this growing phenomenon She feels if we allowed God s Spirit to meld us into one body with One Lord we could overcome all these obstacles that prevent us from leaping out of our comfortable boats and following Christ on the truly adventuresome life our Lord offers to all *Fearless Faith* William Solomon, 2025-09-16 Discover the Strength to Stand Tall When the World is Against You Fearless Faith Embracing Hope in the Lion s Den invites you on a transformative journey through one of the most inspiring stories of unwavering courage and steadfast belief This compelling book explores the timeless legacy of Daniel s resolve a beacon of hope in the face of life s fiercest challenges Step into the story of a man who remained true to his principles amid immense pressure and danger From navigating a culture rife with compromise to exhibiting bold devotion when every eye was watching the chapters offer a profound look at living with unshakeable integrity You ll find practical wisdom for trusting your path even when uncertainty shrouds the future a lesson as relevant today as it was millennia ago Feel the calmness of peace that transcends fear and the power found even in the darkest moments This is not just a historical account but a spiritual guide that arms you with resilience and hope encouraging your faith to roar louder than any denial or hardship Whether you re seeking encouragement to face personal trials or craving a deeper understanding of courageous faith this book opens the door to strength that endures and a hope that never fades Let these pages inspire you to hold fast to live boldly and to rise above the lions encircling your own life

Toxic Faith Stephen Arterburn, Jack Felton, 2011-04-13 Experiencing Healing from Painful Spiritual Abuse When religion becomes a means to avoid or control life it becomes toxic Those who possess a toxic faith have stepped across the line from a balanced perspective of God to an unbalanced faith in a weak powerless or uncaring God They seek a God to fix every mess

prevent every hurt and mend every conflict Toxic Faith distinguishes between a healthy faith and a misguided religiosity that traps believers in an addictive practice of religion It shows how unbalanced ministries misguided churches and unscrupulous leaders can lead their followers away from God and into a desolate experience of religion that drives many to despair Toxic Faith shows readers how to find hope for a return to genuine healthy faith that can add meaning to life In the words of the author I want to help you throw out that toxic faith and bring you back to the real thing **Cosmic Faith** Kaia

Stonebrook,Al,2025-02-27 Cosmic Faith explores the deep connections between ancient astronomy astrology and the formation of religious beliefs and ethical systems It delves into how civilizations of the past lacking modern scientific understanding interpreted celestial movements as divine guidance and cosmic order The book illuminates how early societies used celestial observations not only for practical purposes like navigation but also to develop complex cosmological models that influenced religious narratives You ll discover how perceived cosmic forces played a role in shaping concepts of good and evil fate and free will The book unfolds in three parts first it introduces the fundamentals of ancient astronomy and astrology explaining how early cultures tracked celestial events and assigned symbolic meanings to celestial bodies Then it examines case studies detailing how these beliefs manifested in the religious practices and ethical codes of various cultures Finally it synthesizes these findings to demonstrate the broader impact of cosmic symbolism on the development of religious thought from the concept of a divinely ordered universe to the role of celestial cycles in ritual practices This approach challenges the misconception that early religious beliefs were irrational offering instead a nuanced understanding of how early people integrated empirical observation with spiritual insight **Charismata** Uche Aligwekwe,2015-06-02

Secularism and unbelief threaten today to sweep away all Christian influence in society and blind people to eternal salvation in Christ This aggressive agenda is gaining ground everywhere in education politics medicine even marriage and family The urgency of this hour demands more than a gospel of words only It calls for a demonstration of power as seen in Acts 4 33 With great power the apostles gave witness to the resurrection of the Lord Jesus NKJV God has provided us with His charismata or divine endowments of His Holy Spirit to make us effective witnesses of His power amid this crooked and perverse generation Charismata The Power and the Witness will show you how to receive the power of the Holy Spirit and how to begin changing the eternal destinies of people everywhere God would have each of us be a witness of His power in this crucial hour Charismata The Power and the Witness will equip you to demonstrate the presence of the Holy Spirit in your daily life

Blind Faith Edward Winslow,2003-05-11 A financial consultant presents a simple yet revolutionary approach to managing investments safely and responsibly in today s high risk environment The risk of investing in the stock market has increased remarkably in the past couple of decades We ve seen tremendous volatility in stock prices market bubbles and devastating crashes a parade of corporate scandals and proven deception by many so called investment analysts employed by major brokerage firms In addition the realities of ever increasing geopolitical risks contribute to an uncertain economic future

Corporate America and the investment industry have little to gain and lots to lose when investors decide to stop playing by their rules But with this simple guide readers will be equipped with both the strategy and the tools for success in virtually any economic environment while ending their participation in a system that has taken full advantage of their blind faith and misplaced trust **Radiance** Randy Dean,2011-01-01 His radiance is like the sunlight He has rays flashing from His hand Habakkuk 3 4 NASB Too many Christians assume that all will be fine when they die and go to Heaven But author and pastor Randy Dean a modern day firebrand for the Lord aggressively refuses to settle for that way of thinking and living From putting his arm around a hopeless person and giving hope to raising the dead he is building an army to sweep across the land and shine its spiritual radiance on a dark and sleeping world The transcendent nature of the Kingdom of God has a dynamic that naturally radiates God s presence and dominating power Nature itself is agonizing in its wait for you to be radiant with this supreme energy in your very footsteps Randy Dean The authentically good news of the Kingdom of God is a transcendent supremacy a living energy that by its sheer magnetism draws people into its healing force God sent Jesus as His Radiance You too can be radiant with a Spirit of an invulnerable irresistible and pervasive force Back Dare to live an outrageously attractive lifestyle in every venue of our culture you are the radiance of His glory Blind Faith (EasyRead Edition) ,
