Skywriting By Word Of Mouth:

Skywriting by Word of Mouth, and Other Writings, Including The Ballad of John and Yoko John Lennon, 1986

Skywriting by Word of Mouth John Lennon, 1987-10-09 John Lennon wrote *Skywriting by Word of Mouth* an impressive collection of writings and drawings during Yoko Ono's pregnancy with Sean and always planned to have it published. The book's publication was a wish that seemed to end with Lennon's assassination in 1980 and the theft of the manuscript from the Lennons home in 1982. When it was recovered and first published in 1986, *Skywriting* received immediate critical and popular acclaim. Filled with Lennon's extraordinary creative powers and lavishly illustrated with his own drawings, the collection reveals his fertile creative spirit up close and in full force. Included in *Skywriting* are *Two Virgins* written when the public learned that John and Yoko were living together as husband and wife and John's only autobiography *The Ballad of John and Yoko*. In addition, there are notes on his falling in love with Yoko, the breakup of the Beatles, his persecution by U.S. authorities, and his withdrawal from public life. This is a book with John Lennon's spirit on every page, a spirit the world needs to remember.

Read the Beatles June Skinner Sawyers, 2006-10-31 A must-have volume for all Beatles fans, a career-spanning selection of writings about the Fab Four. There are, of course, many books on the Beatles, but this is the only one available that is a comprehensive career-spanning collection of journalism about the legendary band before and after the breakup. Consisting of more than fifty articles, essays, interviews, record and movie reviews, poems, and book excerpts, many of them rare and hard to find, *Read the Beatles* is an unprecedented compilation that follows the arc of the Fab Four's iconic and idiosyncratic career from their early days in Liverpool through their tragic and triumphant histories after the group's split. The book also includes original essays from noted musicians and journalists about the Beatles' lasting influence and why they still matter today.

Paul McCartney Barry Miles, 1998-10-15 A definitive authorized portrait of Paul McCartney draws on hundreds of hours of exclusive interviews and access to personal archives to chronicle the private life and successful career of one of the world's most famous musicians, the world of the Beatles, his partnership with John Lennon, and more.

The Beatles, *The Art And Music Of John Lennon* Peter Doggett, 2009-12-17 From his childhood paintings to the song he recorded on the day he died, here is a complete catalogue of Lennon's work across many fields: songwriting, performing, drawing, painting, film, poetry, prose, and conceptual art. This magnificent book also contains detailed information about all of the Lennon recording sessions, as part of the Beatles, as a solo artist, and with Yoko Ono. Plus a complete UK and US discography, home demo recordings, composing tapes, studio outtakes, live recordings, collaborations, and interviews. Peter Doggett's fascinating book traces the story of a unique creative adventure that ended too soon but left behind an incalculable legacy of words, images, and music from a giant of rock n' roll who always searched for the truth beyond the limits of his frame. Beatles Historian Peter Doggett provides the definitive guide to the imaginative work of John Lennon. This comprehensive account details a man whose life and work were indivisible. Whether it was his amusing drawings to amuse classmates
