Sleeping Giant Reading Program

Marilyn Katzenmeyer, Gayle Moller

Sleeping Giant Reading Program:

Awakening the Sleeping Giant Marilyn Katzenmeyer, Gayle Moller, 2001-04-12 This Second Edition focuses on the development of teachers as leaders and the skills they need to accomplish the task. The authors skillfully guide the reader through the development process of teacher leadership pointing out the benefits to students, staff, and community. The book describes the importance of teacher leadership and how teacher leaders can help other teachers to excel. Today's teachers must assume roles typically held by principals and other school administrators. By doing so, teacher leaders not only help to relieve stress on administrators but are also empowered and challenged as a result. In a clear, concise manner, the authors describe how teacher leadership can be a powerful tool in changing the current educational system. Teacher leadership in the school combined with collaboration and support from the local community is a recipe for positive change.

Wake the Sleeping Giant Theodore A. Bailey, 2000-06 *Wake the Sleeping Giant* uses anecdotes to show why students turn off in the school system, who is responsible for turning the students off, and methods with which to inspire the students to turn back on. Most of the difficulties which face children today do not originate in the home. They arise out of *The Sleeping Giant*, our educational system. This manuscript is written for parents and teachers. It not only criticizes it, it gives solutions. While the solutions provided in this book cost little financially, they challenge the teachers, education administrators, and parents to change their whole approach to the child. One section of the book details the methods I have used to take eighth grade basic math classes from a third grade level to pre-algebra in less than three months. Another explains an educational game called Challenge which I developed to encourage students to read for important facts, develop questions, learn to find the answers for themselves, and peer teach. The game is fun and can be used in conjunction with any text book. As can be seen nightly on local and national newscasts, our children are in crises. Parents, politicians, and educators are desperate to find ways to motivate children to read, write, and do math. I believe that *Wake the Sleeping Giant* helps us come closer to that ideal. A sequel is being written at this time.

The Sleeping Giant Ken McElroy, 2013-03-01 The idea behind *The Sleeping Giant* Ken's fourth book is to help inspire people to believe that they can be part of solving the world's economic problems by creating businesses which in turn create financial freedom, job growth, and reduce reliance on other sources. Entrepreneurship and self-empowerment are becoming the new American dream. *The Sleeping Giant* is awakening a generation of self-employed entrepreneurs who are ditching the corporate ladder and creating their own destiny. They're the new Business Class, an army of self-employed entrepreneurs, millions strong, living out their passions and changing the world by creating jobs and prosperity. This book brings together 20 entrepreneurs, each sharing their powerful and inspiring stories of how they found success through self-empowerment. Each one started with an idea, and most had no experience and no money. Yet their stories are of lives of freedom, passion, and fulfillment.

Sleeping Giant Tamara Draut, 2016-04-05 There was a time when America's working class was seen as the backbone of the American economy, having considerable political

economic and moral authority But the working class we have now far more female and racially diverse and employed by the fast food retail health care and other service industries has been marginalized if not ignored by politicians and pundits This is changing swiftly and dramatically Today s working class is a sleeping giant And as Tamara Draut makes abundantly clear it is just now waking up to its untapped political power Sleeping Giant is the first major examination of the new working class and the role it will play in our economic and political future Blending moving individual narratives historical background and sophisticated analysis Draut forcefully argues that this newly energized class is far along in the process of changing America for the better Draut examines the legacy of exclusion based on race and gender that contributes to the invisibility of the new working class despite their entwinement in everyone s day to day life No longer confined to the assembly line today s working class watches our children and cares for our parents They park our cars screen our luggage clean our offices and cook and serve our meals They are us With Fight for 15 minimum wage protests popping up throughout the country and in some places winning and economic inequality being recognized as one of the defining issues of our time today s working class will soon become impossible to ignore and foolish to dismiss Sleeping Giant is the first book to tell the story of this extraordinary transformation in full and inspiring detail

Awakening the Sleeping Giant Billy Ray Driver, 2018-09-17 The church has been sleeping in sin for too long The church has to realize that this is not God s plans for them God wants us to be vigilant and sober to the scheme of the enemy The church needs to be set free from the sleep in sin enchantment forest that the enemy has them trapped in once and for all God wants to pour out his Spirit on all flesh in order to set the captive free The church attains resurrection power residing inside of them and they don t even know it *Revue Canadienne Des Langues Vivantes*, 1972 **Awake Sleeping Giant** Rev. Omar Nelson, 2018-08-07 The church is made up of humans like ourselves Christians forget lose sight or take Christ for

granted We need to be reminded of the healing power we have through Christ and his Spirit Awake Sleeping Giant does that in relation to the mentally ill and needy It reveals the healing power of Christ and the Spirit expressed as hope empowerment choice and recovery environment It also reduces stigma which leads to a healthier community The sleeping giant is the Christian Church The church is made up of humans like ourselves Christians forget lose sight or take Christ for granted We need to be reminded of the healing power we have through Christ and his Spirit Awake Sleeping Giant does that in relation to the mentally ill and needy It reveals the healing power of Christ and the Spirit expressed as hope empowerment choice and recovery environment It also reduces stigma which leads to a healthier community The author lost his son to suicide because of mental illness in 2001 Since then he has volunteered with NAMI and a peer run organization as a support group facilitator board member and officer

Memories of Chicano History Mario T. García, 1994-03-03 Who is Bert Corona Though not readily identified by most Americans nor indeed by many Mexican Americans Corona is a man of enormous political commitment whose activism has spanned much of this century Now his voice can be heard by the wide audience it deserves In this landmark publication the first autobiography by a major figure in Chicano history Bert Corona relates his life story Corona was born in El Paso in 1918 Inspired by his parents participation in the Mexican Revolution he dedicated his life to fighting economic and social injustice An early labor organizer among ethnic communities in southern California Corona has agitated for labor and civil rights since the 1940s His efforts continue today in campaigns to organize undocumented immigrants This book evolved from a three year oral history project between Bert Corona and historian Mario T García The result is a testimonio a collaborative autobiography in which historical memories are preserved more through oral traditions than through written documents Corona s story represents a collective memory of the Mexican American community s struggle against discrimination and racism His narration and García s analysis together provide a journey into the Mexican American world Bert Corona s reflections offer us an invaluable glimpse at the lifework of a major grass roots American leader His story is further enriched by biographical sketches of others whose names have been little recorded during six decades of American labor history
