We Are As Gods Kate Daloz,2016-04-26 Between 1970 and 1974 ten million Americans abandoned the city and the commercialism and all the inauthentic bourgeois comforts of the Eisenhower era America of their parents Instead they went back to the land It was the only time in modern history that urbanization has gone into reverse Kate Daloz follows the dreams and ideals of a small group of back to the landers to tell the story of a nationwide movement and moment And she shows how the faltering hopeful but impractical impulses of that first generation sowed the seeds for the organic farming movement and the transformation of American agriculture and food tastes In the Myrtle Hill commune and neighboring Entropy Acres high minded ideas of communal living and shared decision making crash headlong into the realities of brutal Northern weather and the colossal inconvenience of having no plumbing or electricity Nature it turns out is not always a generous or provident host frosts are hard snowfalls smother roads and small wood fires do not heat imperfectly insulated geodesic domes Group living turns out to be harder than expected too Being free to do what you want and set your own rules leads to some unexpected limitations once the group starts growing a little marijuana they can no longer call on the protection of the law especially against a rogue member of a nearby community For some of the group the lifestyle is truly a saving grace they credit it with their survival For others it is a prison sentence We Are As Gods the first

line of the Whole Earth Catalog the movement's bible is a poignant rediscovery of a seminal moment in American culture whose influence far outlasted the communities that took to the hills and woods in the late 60s and 70s and remains present in every farmer's market every store selling Stonyfield products or Keen shoes or Patagonia sportswear

Bread, Dead, and Wed: A Small-Town Cozy Mystery with Recipes Sherri Bryan, What happens when small town murder meets a big hearted caf owner Well you know what they say about too many cooks Sharp tongued food critic and TV baking show judge Roman Haley has it all fame fortune wealth a bevy of adoring fans and a list of enemies as long as a ten foot pole When he offers a raffle prize of a cookery course at his school in the small town of St Eves no one expects it to result in murder Roman Haley's murder to be precise As Charlotte Costello awaits the birth of her second child she watches the murder investigation unfold from the sidelines with loyal friend and politically incorrect senior citizen Ava Whittington by her side and sharpens her amateur sleuthing instincts once more as the hunt for a killer begins And as she becomes a mother again she makes a decision that will change her life forever This is a clean small town culinary cozy mystery with characters who ll stay with you long after you've finished reading and a selection of recipes for you to try It contains no graphic violence language sex or cliffhangers Fans of Agatha Frost and HY Hanna may like this book written by mystery author Sherri Bryan using British English spelling and terminology
