Literature's Elsewheres Annette Gilbert, 2022-04-05 An examination of a series of diverse radical and experimental international works from the 1950s to the present What is a literary work In Literature s Elsewheres Annette Gilbert tackles this question by deploying an extended concept of literature examining a series of diverse radical experimental works from the 1950s to the present that occupy the liminal zone between art and literature These works by American Artist Allison Parrish Natalie Czech Stephanie Syjuco Fiona Banner Elfriede Jelinek Dan Graham Robert Barry George Brecht and others represent a pluralized literary practice that imagines a different literature emerging from its elsewheres Investigating a work s coming into being its transition from text to work as a social object and pragmatic category of literary communication Gilbert probes the assumptions and foundations that underpin literature including the ideologies and power structures that prop it up She offers a snapshot from a period of recent literary and art history when such central concepts as originality and authorship were questioned and experimental literary practices ranged from concrete poetry and Oulipo to conceptual writing and appropriation literature She examines works that are dematerialized site specific unique copies of other works and institutional critiques Considering the inequalities exclusions and privileges inscribed in literature she documents the power of experimental literature to attack these norms and challenges the field s canonical geographic boundaries by

examining artists with roots in North and South America East Asia and Western and Eastern Europe The cross pollination of literary and art criticism enriches both fields With Literature s Elsewheres Gilbert explores what art can t see about the literary and what literature has overlooked in the arts *An Unexpected Love* Debbie Macomber,2025-04-01 The perfect match is just around the corner for these women who consider themselves unlucky in love The Man You ll Marry After her best friend s wedding Jill Morrison finds that the bride has sent her the dress a family heirloom that foretells that the first man she sees is the one she ll marry There s no way the man she sat beside on the plane gorgeous grouch Jordan Wilcox is the one in question right After all she met him before she got the dress Bride on the Loose Jason Manning is more than content with his bachelor lifestyle which leaves him plenty of time for his true love watching sports Then a precocious girl named Carrie Weston decides to introduce him to her mother Charlotte To his relief she s just as averse to marriage as he is so imagine their surprise when that all begins to change
