Sir Walter Gilbey, 2020-05-22 Breeders of every class of horse saving only those who breed the Shetland pony and the few who aim at getting ponies for polo have for generations made it their object to obtain increased height There is nothing to be urged against this policy in so far as certain breeds are concerned the sixteen hand thoroughbred with his greater stride is more likely to win races than the horse of fifteen two the sixteen hand carriage horse other qualities being equal brings a better price than one of less stature and the Shire horse of 16 2 or 17 hands has commonly in proportion greater strength and weight the qualities most desirable in him than a smaller horse Thus we can show excellent reason for our endeavours to increase the height of our most valuable breeds and the long period that has elapsed since we were last called upon to put forward our military strength has allowed us to lose sight of the great importance of other qualities **Small Horses in**
