In Pursuit of Justice Ralph Nader, 2011-01-04 Ralph Nader is one of America's most controversial and uncompromising public figures He is a man on a mission who believes that taking on the powers that be involves more than just talking about it it also means taking action From car safety in the 1960s to opposition to the World Trade Organization in the 1990s Nader's work has increased government responsiveness to citizens served as a check against the abuse of power by big business and shaped the political consciousness of a nation Nader's sense of mission is infused in all of his work especially his weekly columns In Pursuit of Justice a collection of Nader's most recent trenchant

articles written in the years immediately following the publication of The Ralph Nader Reader Nader addresses a broad array of issues among them corporate crime and power government accountability media control consumer rights healthcare congressional reform nuclear power and energy racial discrimination poverty food and drug safety air and water pollution fair taxation product liability protection union democracy living family wage unfair lending practices community radio industrial hemp banking pension law telecommunications and the importance of character Nader has even sponsored consumer initiatives to reform university governance educational testing daily newspapers women s health care legal services and professional sports all of which are reflected in these sharp and sometimes humorous essays As informative as it is pleasurable to read section after section of In Pursuit of Justice slices through government and corporate propaganda and reveals the corruption bias and injustice that all too often connect politics with big business thereby impeding the pursuit of justice Collecting more than one hundred of his most recent writings In Pursuit of Justice conveys Nader s inimitable sense of both the global political economy and our nation s democratic promise

The Long Ascent, Volume 2 Robert Sheldon, 2019-09-23 The first eleven chapters of Genesis Adam Eve Noah are to the twenty first century what the virgin birth was to the nineteenth century an impossibility A technical scientific exegesis of Genesis 1-11 however reveals not only the lost rivers of Eden and the garden s location but the date of the flood the length of the Genesis days and the importance of comets in the creation of the world These were hidden in the Hebrew text now illuminated by modern cosmology archaeology and biology The internet friendly linguistic tools described in this book make it possible to resolve the location the extent and the destruction of Eden and Noah s flood Ancient Egyptian Greek Norse Sumerian and Sanskrit mythology are all found to support this new interpretation of Genesis Combining science myth and the Genesis accounts paints a vivid picture of the genetic causes and consequences of the greatest flood of the human race It also draws attention to the acute peril our present civilization faces as it follows the same path as its long forgotten antediluvian ancestors Discover why Genesis has never been so possible so relevant as it is today

Lanterns on the Lanes George Abraham, 2020-12-28 Religions must have evolved as a way of life doctrines may fade as we move towards spirituality on the road to truth which is bright as the day light In this simple compilation I have thought about a few lives I hope have showed us some light to carry us through in the dark pervasive days of human lives I believe in merciful God who sends his messengers to take up missions dedicated and delicate as they deal human minds There are a many more in the shadows working earnestly never seen or heard much about only God and they know how valuable their beautiful selfless works prevail Thoughts came to me in the daunting times of COVID 19 the need looming large in acts of mercy and co existence My mind wafted into thin air and took me to people who were the winds of change It recalled the road we travelled along Many inspirers who were a guiding light as lanterns on the lanes were seen as beacons of hope but will they fade away Deviating halfway down the journey we need to ask Did we travel on the right path Will we inspire good minds to join us in the journey and embrace the unreached Will we ever try to live by
