The Collected Poems of Wilfred Owen Wilfred Owen, 1964 **First World War Poetry** Jon Silkin, 1997-02-01 A selection of poetry written during World War I In the introduction Jon Silkin traces the changing mood of the poets from patriotism through anger and compassion to an active desire for social change The book includes work by Sassoon Owen Blunden Rosenberg Hardy and Lawrence *The Oxford Handbook of British and Irish War Poetry* Tim Kendall, 2007-02-22 Thirty seven chapters written by leading literary critics from across the world describe the latest thinking about twentieth century war poetry The book maps both the uniqueness of each war and the continuities between poets of different wars while the interconnections between the literatures of war and peacetime and between combatant and civilian poets are fully considered The focus is on Britain and Ireland but links are drawn with the poetry of the United States and continental Europe The Oxford Handbook feeds a growing interest in war poetry and offers in toto a definitive survey of the terrain It is intended for a broad audience made up of specialists and also graduates and undergraduates and is an essential resource for both scholars of particular poets and for those interested in wider debates about modern poetry This scholarly and readable assessment of the field will provide an important point of reference for decades to come **The Island** Nicholas Jenkins, 2024-06-11 Nicholas Jenkins explores war love and politics in the early works of W H Auden one of the twentieth century s most controversial and moving poets Auden s poems embraced both haunted meditations on World War I and lyrical visions of English national identity until in the mid 1930s he lost faith in the artistic potential of such myths
