Smiling David The Story Of David Oluwale:

Smiling David Jeremy Sandford, 1974 Summary Shows children performing some of the games from the book of the same name by Lesley Cox **The Hounding of David Oluwale** Kester Aspden, 2012-03-31 David Oluwale's story has a raw power and Kester Aspden makes it relevant for the reader of today Mishal Husain An award winning microhistory that examines the death of David Oluwale and institutionalised police racism in Britain When in May 1969 the body of David Oluwale was found in the River Aire near Leeds few questions were asked about the circumstances of his death Oluwale was homeless and had spent time in a psychiatric hospital an immigrant from Nigeria who was trapped in a system that had failed him miserably Eighteen months later a lengthy campaign of harassment by two Leeds policemen was uncovered Oluwale became national news in Britain and a symbol for its black community This extraordinary book draws on original archival material only recently released to revisit one of the most chilling crimes in British history and at the same time raises questions as relevant today as they were at the end of the sixties Winner of the CWA Gold Dagger for Non Fiction 2008 Aspden's painstaking research empathetic approach and ability to weave together a vivid wider social critique show Oluwale was done a terrible disservice Metro **Diaspora, Law and Literature** Klaus Stierstorfer, Daniela Carpi, 2016-11-07 The well known challenges of international migration have triggered new departures in academic approaches with diaspora studies evolving as an interdisciplinary and even transdisciplinary field of study Its emerging methodology shares concerns with another interdisciplinary field the study of the relations between law and literature which focuses on the ways in which the two cultural practices of law and literature mutually negotiate each other and on the question after the ontological commensurability of the domains This volume offers for the first time an attempt to provide an interface between these overlapping interdisciplinary endeavours of literary studies legal studies and diaspora studies In doing so it explores new approaches and invites new perspectives on diasporas migration and the disciplines that study them hopefull also adding to the cultural resources of coping with a swiftly changing social landscape in a globalizing world *Writing Audio Drama* Tim Crook, 2023-03-31 Writing Audio Drama is a comprehensive and intelligent guide to writing sound drama for broadcasting and online production The book uses new and original research on the history of writing radio plays in the UK and USA to explore how this has informed and developed the art form for more than 100 years Audio drama in the context of podcasting is now experiencing a global and exponential expansion Through analysis of examples of past and present writing the author explains how to originate and craft drama which can explore deeply psychological and intimate themes and achieve emotional truthful entertaining and thought provoking impact Practical analysis of the key factors required to write successful audio drama is covered in chapters focusing on audio play beginnings and openings sound story dialogue sustaining the sound story plotting for sound drama and the best ways of ending audio plays Each chapter is supported by extensive companion online resources expanding and supporting the writers and subjects discussed and explored and

extensive information on how to access online many exemplar and model sound dramas referenced in the chapters This textbook will be an important resource for undergraduate and postgraduate students taking modules and courses on radio drama theatre and media drama audio theatre audio drama scriptwriting media writing **The battle of Britishness** Tony Kushner, 2017-10-03 This pioneering study of migrant journeys to Britain begins with Huguenot refugees in the 1680s and continues to asylum seekers and east European workers today Analyzing the history and memory of migrant journeys covering not only the response of politicians and the public but also literary and artistic representations then and now Kushner's volume sheds new light on the nature and construction of Britishness from the early modern era onwards It is an essential tool for those wanting to understand why people come to Britain or are denied entry and how migrants have been viewed by state and society alike The journeys covered vary from the famous including the Empire Windrush in 1948 to the obscure such as the Volga German transmigrants passing through Britain in the 1870s While employing a broadly historical approach Kushner incorporates insights from many other disciplines and employs a comparative methodology to highlight the importance of the symbolic as well as the physical nature of such journeys **The Politics of Expertise** Matthew Hilton, James McKay, Nicholas Crowson, Jean-François Mouhot, 2013-04-25 The Politics of Expertise offers a challenging new interpretation of politics in contemporary Britain through an examination of non governmental organisations Using specific case studies of the homelessness environment and international aid and development sectors it demonstrates how politics and political activism has changed over the last half century NGOs have contributed enormously to a professionalization and a privatization of politics emerging as a new form of expert knowledge and political participation They have been led by a new breed of non party politician working in collaboration and in competition with government Skilful navigators of the modern technocratic state they have brought expertise to expertise and in so doing have changed the nature of grassroots activism As affluent citizens have felt marginalised by the increasingly complex nature of many policy solutions they have made the rational calculation to support NGOs the professionalism and resources of which make them better able to tackle complex problems Yet in doing so support rather than participation becomes the more appropriate way to describe the relationship of the public to NGOs As voter turnout has declined membership and trust in NGOs has increased But NGOs are very different types of organisations from the classic democratic institutions of political parties and the labour movement They maintain different and varied relationships with the publics they seek to represent Attracting mass support has provided them with the resources and the legitimacy to speak to power on a bewildering range of issues yet perhaps the ultimate victors in this new form of politics are the NGOs themselves **John Bull's Island** Colin Holmes, 2015-10-16 There is a strong but unreliable view that immigration is a marginal and recent phenomenon In fact immigrants and refugees have come to Britain throughout its recorded history In this book first published in 1988 Colin Holmes looks at this period in depth and asks who were the newcomers and why were they coming What were the distinctive features of their economic and

social lives in Britain How did British society respond to their presence The resulting book is a major historical survey of immigration which synthesises and evaluates existing work and weaves in new material on a wide range of immigrant minorities

Donald Rodney Richard Hylton, 2025-01-23 Donald Rodney 1961 1998 was one of the most gifted perceptive and innovative contemporary British artists of his time A protagonist from the first generation of Black British born art students in the early 1980s Rodney and his peers brought a new dynamic to British art a hitherto unseen interplay between aesthetics politics humour and Black consciousness Donald Rodney Art Race and the Body Politic is the first book length study of a protean practice which spanned the early 1980s to the late 1990s and included a prodigious output of work across painting photography collage assemblage sculpture installation and new technologies Across eight meticulously researched chapters the book examines the social and cultural events which inspired Rodney s artwork and the responses it elicited From his formative years in the West Midlands as a leading exponent of Black Art to a subsequent decade of unbridled visual innovation and social critique the book ventures new detailed analyses of key works exhibitions artistic influences and collaborations Deploying recurring metaphors of the diseased traumatised and raced body Rodney addressed racial and social inequality legacies of slavery police brutality sport and Black male identity in novel and powerful ways Attending to the artist s material dexterity and visual acuity the book considers how and why Rodney s innovative practice uniquely challenged delineations between the political and non political personal and public representation and visibility Over a generation has passed since Rodney s premature death from the effects of the hereditary blood disorder sickle cell anaemia at aged thirty six Despite this Rodney s work continues to speak to our contemporary moment in a multiplicity of ways As such the book provides a much needed critical perspective and insight to the work and legacy of a nonpareil British artist

Housing and Social Exclusion Fiona Spiers, 1999 This book argues that homeless people particularly those with mental health problems run an increasing risk of being socially excluded The book discusses potential strategies for combating exclusion and highlights the changes in ownership patterns in the social housing sector and other issues of importance for housing policy and community care such as how far should the state intervene What can the private sector contribute How can legislation affect the homeless How does the experience of homelessness differ for minority ethnic groups How can we house the growing number of homeless people with disabilities
