C. Smith (Cbe Qc Lld Fba (Professor Of Common L. Law, University Of Nottingham And Honorary Fellow), J.C. Smith, Joseph Anthony Charles Thomas, 1992 *Casebook on Contract* Smith and Thomas J. C. Burrows, John Cartwright, 2010-08-19 This edition provides an authoritative and detailed account of contract law It is essential reading for any student of contract law and a valuable source of reference for practitioners and academics **Contract as Assumption** Brian Coote, 2010-04-02 It has many times been said that contracts involve assumptions of obligation or liability but what that means and what it is that is assumed have not often been discussed It is to further such discussion that some of the author's previously published writings around this subject have been brought together in this book His basic premises are that contractual obligation and liability in this context are two sides to the same coin and that an assumption of one is an assumption of both Parties are bound not because liability has been imposed upon them by law as a result of their having entered into a contract but because in the act of assuming they have imposed it upon themselves Contract provides a facility the purpose of which is to enable this to be done within the limits prescribed by law The implication of these premises are much more significant than might be supposed when applied to such areas of contract as formation consideration intention to contract exception clauses privity and damages The book concludes with a treatment of the role of assumption in tort Because of the importance of its subject matter and its wide ranging treatment this book

should appeal not only to teachers and postgraduate students of contract but also to practitioners in the field and to anyone else with an interest in contract theory Contract Law Neil Andrews, 2015-05-14 Significantly streamlined and updated the second edition of Andrews Contract Law now provides a clear and succinct examination of all of the topics in the contract law curriculum Chapters direct students to the most important decisions in case law and employ a two level structure to integrate short judicial excerpts into detailed discussion and analysis Exploration of the law s loose ends strengthens students ability to effectively analyse case law and new end of chapter questions which focus on both core aspects of the law and interesting legal loopholes assist students in preparing for exams Students are guided through chapter material by concise chapter overviews and a two colour text design that highlights important chapter elements Suggestions for further reading and a rich bibliography which point readers to important pieces of contemporary literature and provide a springboard for deeper investigation of particular topics lend further support for student learning
