Hunt, 1971 A pictorial survey and history of art and artists of the American West including such painters as Charles Russell Frederick Remington Thomas Moran and George Catlin *The Art of the Old West* Paul A. Rossi, 1985 **The Art of the old West** Paul A. Rossi, David C. Hunt, 1971 The Art of the Old West Paul A. Stout, 2007 *Picturing a Different West* addresses Willa Cather and Mary Austin as central figures in a women s tradition of the pictured West Both Cather and Austin moved west in their youth and spent much of their lives there Cather lived on the Great Plains while Austin resided in California and the Southwest Cather s travels repeatedly took her to the Southwest and she wrote three novels with Southwestern settings Starting with the masculine tradition of Western art that was prevalent when Austin and Cather launched their careers Janis P Stout shows how the authors challenged and revised that tradition Rather than a West of adventure violence and conquest open only to rugged and daring men the authors envisioned a new West not

conventionally feminine so much as an androgynous space of freedom for women and men alike Their vision of an alternative West and their alternative ways of thinking about and portraying gender are inseparable Placing Cather and Austin alongside contemporaries Elsie Clews Parsons Mabel Dodge Luhan Georgia O Keeffe and Laura Gilpin Stout emphasizes the visual nature of Austin s and Cather s personal experiences of the West and Southwest their awareness of the prevailing visual representations of the West and the visual nature of their books about the West with respect to both prose style and illustrations In closing Stout demonstrates the continuance of their tradition in illustrated western books by Leslie Marmon Silko and by Margaret Randall and Barbara Byers

Thomas Moran Thurman Wilkins, 1998 This extensively revised edition of Thurman Wilkins s masterful and engaging biography well illustrated in color and black and white draws on new information and recent scholarship to place Thomas Moran more securely in the milieu of the Gilded Age It also portrays more fully the controversies that surrounded the art of Moran s time as he became the Dean of American Painters The American West was the subject of Thomas Moran s greatest artistic triumphs Yosemite the Grand Canyon of the Colorado Zion Canyon the Virgin River Colorado s Mountain of the Holy Cross and the Grand Tetons but his travels with Ferdinand V Hayden s geological surveys of the Upper Yellowstone were matched by trips to his native Britain and to Venice Florida the Spanish Southwest and Old Mexico These scenes inspired memorable landscapes and seascapes as did the sojourns of the Moran family in Pennsylvania New Jersey and East Hampton Long Island when they retreated from the demands of the New York art scene In the 1880s Moran and his artist wife Mary Nimmo Moran also threw themselves into the etching craze of the period creating some of the finest prints produced in the United States Moran was an artist happy in his work He wrote I have always held that the grandest most beautiful or wonderful in nature would in capable hands make the grandest most beautiful or wonderful pictures The New York Times said of the first edition of this unique account of his life Moran s mastery comes through clearly and awesomely and often pleasurably Readers will find the new edition equally enjoyable
