The Art of the Vatican Mary Knight Potter, 2016-07-04 Excerpt from *The Art of the Vatican Being a Brief History of the Palace and an Account of the Principal Art Treasures Within Its Walls* The same reasoning applies to the actual paintings and sculptures described in each gallery or chapel It has been thought better to devote as much consideration as possible to the most noted of the works rather than to speak more briefly of many In this way it is hoped that the book may be valuable both for travellers who wish to have something more than mere guide book information of the great treasures of Rome and for the amateur who has not sufficient time or desire to consult the many original works necessary for a thorough art training About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing
