The Art Of W C Fields:

The Art of W. C. Fields William K. Everson, 1968 *The Art of W. C. Fields* William K. Everson, 1967 First in vaudeville then in silent films the comic art of W C Fields was his unique ability antic imagination with masterful pantomime With the coming of the talkies Fields added his own special brand of caustic dialogue to reign for many years as a film star of the first rank The Complete Films of W.C. Fields Donald Deschner, 2000-06 W. C. Fields Wes D. Gehring, 1984 All students of the Great Man s career will have to rely on this work Perhaps Gehring s greatest contributio here is his discussion of 23 sketches that Fields copyrighted that are now in the Library of Congress Choice **The W.C. Fields Films** James L. Neibaur, 2017-04-10 W C Fields was at the top among comedians during Hollywood s Golden Era of the 1930s and 1940s and has since remained a comic icon Despite his character s misanthropic child hating alcoholic tendencies his performances were enduringly popular and Fields became personally defined by them This critical study of his work provides commentary and background on each of his films from the early silents through the cameos near the end of his life with fresh appraisals of his well known classics Pictures once believed to be lost that have been discovered and restored are discussed and new information is given on some that remain lost *W.C. Fields by Himself* W.C. Fields, 2016-02-01 Fields never got around to writing his autobiography but at his death in 1946 he left behind a vast assortment of notes outlines scrapbooks letters scripts scenarios and photographs Now his grandson Ronald J Fields has edited and woven this wealth of previously unpublished material into a unique new portrait of the Great One in his own words This book establishes the true facts about W C Fields s early years how around 1895 he really got started juggling how met his future wife Hattie and how he felt about his incessant tours triumphs and film career *W.C. Fields from the Ziegfeld Follies and Broadway Stage to the Screen* Arthur Frank Wertheim, 2017-01-16 This book reveals how Fields became a character comedian while performing in Broadway s most illustrious revue the Ziegfeld Follies As the first biography to use the recently opened Fields Papers at the Motion Picture Academy the book explores how Fields years as a Follies entertainer portraying a beleaguered husband and a captivating conman became a landmark turning point in his career leading to his fame as a masterful film comedian The book also untangles a web of mysteries about Fields s turbulent private life from the heartrending stories about the tragic relationship with his calculating wife who refused to divorce him to his estranged son controlled by his mother to the seven year extra marital affair with a chorus girl that led to the birth of an unwanted child This electrifying saga illuminates a complex dual personality whirling from tenderness to brusqueness who endured so much anguish in order to bring the gift of laughter to millions Although vilified by Ziegfeld and assailed by demons Fields survived the cutthroat rigors of Broadway show biz to become a legendary American iconoclast and cultural icon Groucho and W.C. Fields Wes D. Gehring, 1994
