The Assassinations Of John And Robert Kennedy:

The Assassinations of John & Robert Kennedy Leroy Hayman, 1976 **The Kennedy Assassinations** Mel Ayton, 2022-07-19 Few events have been the subject of more conspiracy theories than the assassinations of the two Kennedy brothers. Indeed, a great many people consider that there were other individuals than Lee Harvey Oswald and Sirhan Sirhan involved in both murders. Was a shot fired from Dealey Plaza's grassy knoll? Why did Jack Ruby shoot Oswald? Was it the CIA, the Soviets, Cuban nationalists, or the Mafia that arranged John Kennedy's assassination? Was Robert Kennedy shot from in front and behind, and who had the most to gain from his death? These are just a few of the questions that have been put forward by a myriad of conspiracy theorists, and it is those people and their ideas that Mel Ayton has tackled head-on. Over many years, Mel Ayton has examined all the more substantial conspiracy theories, and through careful analysis of documents and eyewitness statements, he has demolished each one. In each case, Mel Ayton presented the results of his detailed investigations in periodicals as he worked through the various theories. These have now been brought together to provide a comprehensive analysis of all the main theories as to who, how, and why the two Kennedy brothers met their deaths in such unusual circumstances. Though wild ideas will continue to be proposed, and efforts will still be made to demonstrate that Oswald could not have fired off three shots with great accuracy in the few seconds available to him as the presidential cavalcade passed beneath the window where he crouched, or that there were sinister reasons why three CIA men were allegedly present on the night of Robert Kennedy's assassination, the harsh reality is that the Kennedy brothers were each killed by lone gunmen. This is an absorbing read brought up to date with the addition of new material as it has been uncovered. Maybe just maybe this book will persuade people that the official accounts of both murders, although flawed, are not cover-ups but simply statements of fact.

The Kennedy Assassinations John F. Kennedy Library, 1983 **Ultimate Sacrifice** Lamar Waldron, Thom Hartmann, 2013-08-22 Drawing on seventeen years of research, thousands of recently declassified files, and dozens of interviews, *Ultimate Sacrifice* re-creates and in many ways rewrites the crucial period of our history leading up to November 22, 1963. In the process, this groundbreaking account provides the missing pieces to the greatest tragic puzzle of post-war America: the true circumstances behind the assassination of President John F. Kennedy. *Ultimate Sacrifice* details a previously unknown Plan for a Coup in Cuba, authorized by President John Kennedy, run by Attorney General Robert Kennedy, and set for December 1, 1963. The Kennedy plan, unique and different from any previously disclosed operation, was as detailed in a Joint Chiefs of Staff memo to have included a palace coup, a provisional Cuban government, and if necessary, a full-scale invasion by invited US military forces. The CIA's code name for their part of the operation, AMWORLD, has never previously surfaced in any government investigation nor in any book or article, making it one of the most covert operations in United States history. *Ultimate Sacrifice* will detail how the Kennedy plan was penetrated by three mafia godfathers: Carlos Marcello, Santo Trafficante, and Johnny Roselli, being vigorously pursued by Attorney General

Robert Kennedy along with a dozen of their associates six of whom were also working on the Coup plan The crime bosses then used parts of the Coup Plan AMWORLD to arrange JFK's assassination in a way that would prevent a truly thorough government investigation in order to protect the Coup Plan its participants and national security By using the secrecy surrounding the Plan the mob bosses would target JFK not only in Dallas but in two earlier attempts one in Chicago on November 1 and then one in Tampa on November 18 which Ultimate Sacrifice reveals for the first time in any book Ultimate Sacrifice has finally pieced together the whole story by building on the work of the seven governmental committees that have investigated aspects of the assassination on the work of former government investigators and on the four million documents that were declassified in the 1990s in addition to exclusive interviews with dozens of witnesses and participants including Secretary of State Dean Rusk Press Secretary Pierre Salinger and the Kennedys' closest Cuban exile aide Harry Ruiz Williams

The Assassination of John F. Kennedy Alice George, 2012-11-12 On November 22nd 1963 the assassination of President John F Kennedy set into motion a series of events that irrevocably changed American politics and culture The media frenzy spawned by the controversy surrounding the death of JFK has since given way to a powerful public memory that continues to shape the way we understand politics the 1960s and the nation In *The Assassination of John F Kennedy Political Trauma and American Memory* Alice George traces the events of Kennedy's assassination and Lyndon B Johnson's subsequent ascension to the presidency Covering both the political shifts of the time and the cultural fallout of the national tragedy this book introduces students of the twenty first century to both an iconic event and to the context in which that event was heralded as iconic Drawing on newspaper articles political speeches letters and diaries George critically re-examines the event of JFK's death and its persistent political and cultural legacy

The Assassinations James DiEugenio, Lisa Pease, 2003-02-01 Probing deep into four hidden histories the material released should dispel any notions of lone nuts or coincidence These articles cut a clear path through the thick jungle of disinformation that has grown around these events and expose the truly hideous teratomas that thrive and bloom under the canopy of national security New York Press

Mutual Contempt: Lyndon Johnson, Robert Kennedy, and the Feud that Defined a Decade Jeff Shesol, 1998-10-17 Mutual Contempt is at once a fascinating study in character and an illuminating meditation on the role character can play in shaping history Michiko Kakutani New York Times Lyndon Johnson and Robert Kennedy loathed each other Their antagonism propelled by clashing personalities contrasting views and a deep abiding animosity would drive them to a bitterness so deep that even civil conversation was often impossible Played out against the backdrop of the turbulent 1960s theirs was a monumental political battle that would shape federal policy fracture the Democratic party and have a lasting effect on the politics of our times Drawing on previously unexamined recordings and documents as well as memoirs biographies and scores of personal interviews Jeff Shesol weaves the threads of this epic story into a compelling narrative that reflects the impact of LBJ and RFK's tumultuous relationship on politics civil rights the war on poverty and the war in Vietnam As Publishers Weekly noted This is indispensable reading for both experts on the period and newcomers to the history of that decade An exhaustive and fascinating history Shesol's grasp of the era's history is sure his tale often entertaining and his research awesome Russell Baker New York Review of Books Thorough provocative The story assumes the dimensions of a great drama played out on a stage too vast to comprehend Jonathan Yardley Washington Post 1997 Critic's Choice This is the most gripping political book of recent years Arthur Schlesinger Jr A New York Times Notable Book of the Year

The Hidden History of the JFK Assassination Lamar Waldron, 2013-10-21 INSIDE THE CRIME OF THE CENTURY This fascinating history draws on never before published information to reveal the Mafia conspiracy that led to the assassination of John F Kennedy Answering the questions that have haunted Americans for decades Why and how was JFK murdered The Hidden History of JFK's Assassination draws on exclusive interviews with more than two dozen associates of John and Robert Kennedy in addition to former FBI Secret Service military intelligence and Congressional personnel who provided critical first hand information The book also uses government files including the detailed FBI confession of notorious Mafia godfather Carlos Marcello to simply and clearly reveal who killed JFK Using information never published before the book uses Marcello's own words to his closest associates to describe the plot His confession is also backed up by a wealth of independent documentation This book builds

on the work of the last Congressional committee to investigate JFK's murder which concluded that JFK was probably assassinated as a result of a conspiracy and that godfathers Santo Trafficante and Carlos Marcello had the motive means and opportunity to assassinate President Kennedy. However it also draws on exclusive files and information not available to Congress that have only emerged in recent years to fully explain for the first time how Marcello and Trafficante committed and got away with the crime of the 20th century.
