The Audacious Adventures of Miles McCaughy Arthur Douglas Howden Smith,1918 *From Here to Eternity:* Bruce G Epperly,2016-03-11 All of humanity lives with the certainty of death In this world we do not live forever But what happens afterward Is there something beyond the grave How should we react to the loss of loved ones whether through an untimely accident or old age With one foot in the world of theological reflection and the other in the untidy nature of daily life and of spirituality in action Dr Bruce Epperly embraces hope while recognizing fear adventure even in lives touched by regret and confidence in the face of uncertainty to help us explore the possibilities a loving God has placed before us We can grieve our loss while looking forward with joy We can acknowledge what we don t know while expecting more than we are able to imagine If you ve ever wondered what happens next this is the book for you **Process Theology: A Guide for the Perplexed** Bruce G. Epperly,2011-03-24 This is an introductory guide to Process Theology for undergraduates As part of Continuum s Guide for the Perplexed series this text provides an accessible introduction to process theology aimed at nurturing the theological imagination of undergraduates pastors and interested laypersons It describes the major themes of process theology and relates them to the everyday lives and spiritual commitments of people today In addition to addressing traditional theological issues Epperly addresses cutting edge issues in theology and ethics such as pluralism and postmodernism matters of life and death science technology and genetics and emerging forms of Christianity This text is designed for seminary and university classes as well as congregational study It will help readers to overcome the obstacles created by the technical language often employed by process theologians Continuum s Guides for the Perplexed are clear concise and accessible introductions to thinkers writers and subjects that students and readers can find especially challenging or indeed downright bewildering Concentrating specifically on what it is that makes the subject difficult to grasp these books explain and explore key themes and ideas guiding the reader towards a thorough understanding of demanding material Process Spirituality Bruce G Epperly,2017-11-20 What one believes about God shapes how one worships prays thinks and lives Dr Bruce Epperly who provided a very short introduction to process theology in *Process Theology Embracing Adventure with God* now provides a short and succinct guide to spiritual practices for those who want to embrace and live the adventurous spiritual life From times of worship to prayer to solitude and even to study he provides a guide to living with

a God who is deeply and intimately involved in our lives Holiness and spirituality are not about being other worldly Rather they are about being even more in the here and now than any of us may have thought possible With exercises affirmations and a variety of spiritual practices explained and theologically grounded this book is a valuable resource for small group study as well as for individual reading *Ruth and Esther* Bruce G Epperly, 2016-01-12 How does one read the literature of a patriarchal society in a 21st century context Where can one find good role models for girls and women in the Bible All too often these questions are answered by presenting the answers given by patriarchal society and not by looking for liberating examples It is all too easy to let God's message of setting the captives free ring forth but directed to a limited audience But Ruth and Esther provide strong counter examples of women who had to struggle against the cultural norms in order to live and to do great things for their people All too often these women are excluded from our studies or when included are portrayed as subordinate people But Dr Bruce Epperly pastor father grandfather and theology sees them as women of agency and adventure resourceful and proactive women in patriarchal cultures But despite being subject to the apparently arbitrary decisions of males with authority both women were agents in their destiny fulfilling their vocations in their particular culture If you are a Christian pastor or teacher you owe it to those in your circle of influence to let them experience these two Bible books in new ways to see them as liberating documents that let everyone know that God doesn't exclude them From these women of agency and adventure those who find themselves excluded from power can find encouragement to stand up and be the persons of agency and adventure that God created them to be no matter what restrictions others have placed upon them

Unfettered Spirit Robert D Cornwall, 2021-07-19 2nd Expanded Edition All too frequently studies of the gifts of the Spirit consist largely of answering two questions What are the gifts and Which ones do I have In many cases studies go on to a third question How can I get more In response institutional churches and theologically and intellectually respectable Christians often tend to avoid the work of the Holy Spirit in the church entirely It's much easier to simply close the doors and windows than it is to deal with the wind John 3:8 After all they've seen the wind blow out the candles disarrange the altar vestments and send a chill through the congregants Author pastor and church historian Bob Cornwall has experienced all of this for himself He has seen traditional churches and worship He has seen Pentecostal worship He has led congregations in difficult times For more than 30 years he has studied practiced prayed and lived the work of the Holy Spirit in the church The result is *Unfettered Spirit* Spiritual Gifts for the New Great Awakening Here he avoids both the errors of replacing the freedom of the Spirit with human whim and of trying to tame or confine the Spirit that will not be fettered He asks Do you truly believe that God is present in the world And do you believe that God is working through us to break down the walls that divide us from God from each other and from the world And if you do do you believe that you have been gifted and empowered to participate in this ministry that takes down the walls of egoism suspicion greed self interest and hatred If you can say yes to these questions jump right in This is the book for you If you are hesitant or if the idea of the Holy Spirit

working unfettered in your congregation and community frightens you read the first four chapters carefully as Bob lays the theological foundation You may find your maybe or even your no turned into a yes Building on this foundation Bob continues with five chapters on the gifts of the Spirit as described in Scripture These are practical discussions that will let you keep your bearings in discussions of the Spirit and more importantly in a community where the Spirit is active Finally he concludes with a discussion of how to lead and pastor a church where the gifts of the Spirit are active Whether you are a Pentecostal an evangelical a mainliner a progressive or any other label you might find for yourself or your church you will profit from reading this book
