The Auden Generation Literature And Politics In England In The 1930s:

The Auden Generation Samuel Hynes, 2011-04-30 This is a study of a literary generation writing in a period of expanding fears and ever more urgent political and social crises The pace of the time itself the sense of time passing and an end approaching gave a special quality to the Thirties The public world pressed insistently on the private world For those who came of literary age Auden Day Lewis MacNeice Spender Graham Greene Isherwood and Orwell among them writing became a form of action In the process a generation discovered itself and found its own expression **The Auden Generation** Samuel Lynn Hynes, 1982 The Description for this book The Auden Generation Literature and Politics in England in the 1930s will be forthcoming The Auden Generation Samuel Hynes, 1976 **The Auden Generation** Samuel Lynn Hynes, 1976 *The 1930s: A Decade of Modern British Fiction* Nick Hubble, Luke Seaber, Elinor Taylor, 2021-01-14 With austerity biting hard and fascism on the march at home and abroad the Britain of the 1930s grappled with many problems familiar to us today Moving beyond the traditional focus on the Auden generation this book surveys the literature of the period in all its diversity from working class women queer and postcolonial writers to popular crime and thriller novels In this way the book explores the uneven processes of modernization and cultural democratization that characterized the decade A major critical re evaluation of the decade the book covers such writers as Eric Ambler Mulk Raj Anand Katharine Burdekin Agatha Christie Lewis Grassie Gibbon Christopher Isherwood Storm Jameson Ethel Mannin Naomi Mitchison George Orwell Christina Stead Evelyn Waugh and many others English Fiction in the 1930s Chris Hopkins, 2006-01-01 This study approaches the fiction of the 1930s through critical debates about genre language and history setting these in their original context and discussing the generic forms most favoured by novelists at the time Chris Hopkins uses a series of case studies of texts to draw on develop or explore the boundaries contemporary usefulness and complexities of particular prose genres Generic debates and the political aesthetic effects of different kinds of representation were live issues as discursive struggles and negotiations took place between modernist and realist modes between high middle and lowbrow categorisations of culture between literature and mass culture and between different conceptions of the role of the writer politics and nationality sexuality and gender identities Chris Hopkins draws both on well known texts and on novels which have only recently begun to be discussed by critics of the thirties particularly those by women writers whose work has still not been related very clearly to the literary and political debates of the period Organised in five sections each focusing on major genres he takes a wide range of novels as case studies and discusses their uses of generic forms relating them to other examples and to their historical political and cultural contexts British Writers and MI5 Surveillance, 1930-1960 James Smith, 2013 The book explores records that MI5 Britain's domestic intelligence agency maintained on influential left wing writers from 1930 to 1960 **The Landscapes of W. H. Auden's Interwar Poetry** Ladislav Vít, 2021-12-14 This is the first book length study foregrounding Auden's sense of place as a means for enhancing our grasp of this crucial twentieth century

poet Proposing that Auden had a remarkable spatial sensibility this book concentrates on his treatment of his homeland England as well as the North Pennines and Iceland both of which served as his good places holy grounds and sources of topophilic sentiment The readings draw on the scholarship of humanistic geography tracing patterns of mental constructs which emerge from spatial experience In a scholarly but engaging way this book argues that focusing on Auden s poetics of place as it emerged and evolved can be instrumental to our understanding of this influential poet not only in relation to his epoch but also to the Anglophone poetic tradition Precisely because of his stature these elaborations on Auden s preoccupation with places escapism borders and local identity promise to enrich our understanding of the cultural and intellectual climate of the interwar period when established notions of local places and cultures were beginning to be contested by internationalisation This study will be of interest to both academics and students in the field of Anglophone literary studies while also appealing to those attracted to Auden s poetry interwar culture and the literary representation of space

The Course of English Surrealist Poetry Since the 1930s Rob Jackaman, 1989 This study proposes that there has been a revival of surrealist poetry and traces an uninterrupted thread of development in surrealism throughout 20th century English poetry

The Oxford English Literary History: Volume 10: 1910-1940: The Modern Movement Chris Baldick, 2005-11-10 This exciting new volume provides a freshly inclusive account of literature in England in the period before during and after the First World War Chris Baldick places the modernist achievements of Virginia Woolf T S Eliot and James Joyce within the rich context of non modernist writings across all major genres allowing high literary art to be read against the background of low entertainment Looking well beyond the modernist vanguard Baldick highlights the survival and renewal of realist traditions in these decades of post Victorian disillusionment Ranging widely across psychological novels war poems detective stories satires and children s books The Modern Movement provides a unique survey of the literature of this turbulent time
