## **The Autobiographical Notes Of Charles Evans Hughes:**

**The Autobiographical Notes of Charles Evans Hughes** Charles Evans Hughes, 1862-1948 was lawyer governor of New York Supreme Court Justice presidential candidate in 1916 Secretary of State in the Harding and Coolidge administrations a member of the World Court and Chief Justice of the United States from 1930 until his retirement in 1941 To some Hughes appeared larger than life Robert H Jackson once said of him He looks like God and talks like God But to those who knew him well he was quite human extraordinarily gifted but human nonetheless His Autobiographical Notes portray him as no biography could and provide comment on almost a century of American history as seen by one who played a part in shaping its course Hughes's notes reveal two sides of his personality a serious side when he was at work and a genial sometimes humorous side when he was relaxing or with friends and family When he writes of unofficial life especially his boyhood college years and early years at the bar he is raconteur telling his story with a certain amount of humor when he writes of his official life he tends to be matter of fact The early chapters describe the formative influence which shaped his character his loving but intellectually demanding parents and deeply religious training his unusual early education which took place mostly at home and gave full scope to his precocity Hughes's accounts of college life in the 1870s at Madison now Colgate and Brown University and of his career as a young lawyer in the New York City of the 1880s and 1890s are valuable portraits of an era Brought up to a high sense of duty Hughes from the start of his career felt bound to take worthy legal cases and it was his reputation for integrity and thoroughness that led to his selection as counsel in the gas and insurance investigations of 1905-1906 This was the turn of events that precipitated him into the public eye and subsequently into politics The culmination of his career came in 1937 when he led the Supreme Court through a constitutional crisis and confronted Franklin Roosevelt in the Court packing battle In the intervening thirty years Hughes was a major figure in American political and legal circles His Notes record his impressions of presidents statesmen and justices His reflections on the diplomacy of the 1920s and on the causes leading up to the Second World War are of immense historical importance The editors have supplied an introduction to the Notes commenting on Hughes's personality and public image his political style and rise to fame They have remained unobtrusive throughout intervening only to clarify references and provide necessary details For the rest they let Hughes speak for himself in the crisp and clear style that reveals his unusual intelligence and the retentive and analytical mind that distinguished his conduct of affairs Justice Felix Frankfurter wrote of Hughes I have known or know about most of the leading men of my time both here and in England enough to justify me in forming a judgment There isn't the slightest doubt that C E H is among the few really sizable figures of my lifetime He is three dimensional and has impact Here in these Notes is this great man drawn in life size proportions **The Chief Justiceship of Charles Evans Hughes, 1930-1941** William G. Ross, 2007 During the 1930s the U S Supreme Court abandoned its longtime function as an arbiter of economic regulation and assumed its modern role as a guardian of personal

liberties William G Ross analyzes this turbulent period of constitutional transition and the leadership of one of its central participants in *The Chief Justiceship of Charles Evans Hughes 1930-1941* Tapping into a broad array of primary and secondary sources Ross explores the complex interaction between the court and the political economic and cultural forces that transformed the nation during the Great Depression Written with an appreciation for both the legal and historical contexts this comprehensive volume explores how the Hughes Court removed constitutional impediments to the development of the administrative state by relaxing restrictions previously invoked to nullify federal and state economic regulatory legislation Ross maps the expansion of safeguards for freedoms of speech press and religion and the extension of rights of criminal defendants and racial minorities of African Americans helped to lay the legal foundations for the civil rights movement Throughout his study Ross emphasizes how Chief Justice Hughes brilliant administrative abilities and political acumen helped to preserve the Court's power and prestige during a period when the body's rulings were viewed as intensely controversial Ross concludes that on balance the Hughes Court's decisions were more evolutionary than revolutionary but that the court also reflected the influence of the social changes of the era especially after the appointment of justices who espoused the New Deal values of President Franklin Delano Roosevelt

**The Real and the Ideal** Anthony Lake, David Ochmanek, 2001-08-28 A teacher scholar practitioner and publicist Richard Ullman has been a unique and influential figure in U S foreign and security policy over the past forty years This volume created on the initiative of some of Ullman's most accomplished former students is less a summing up of his work than a sort of intellectual kaleidoscope held up to his ideas The result is a spirited and highly readable set of essays on themes relating to U S foreign and defense policy in a period of nearly unprecedented dynamism in the international system The volume includes contributions by David Gompert I M Destler Michael Doyle Michael O Hanlon and eight other distinguished scholars and practitioners of international relations Major issues addressed in *The Real and the Ideal* include Changing international conceptions of state sovereignty governmental legitimacy and ethics and their relationship to national influence and power New roles played by military power including an exploration of emerging guidelines for the use of force in the defense of norms and values that go beyond traditional definitions of national interest The domestic context for the setting of U S foreign and defense policy including an analysis of recent and heretofore unpublished polling data regarding the public's propensity to support international engagement Assessments of the effects of alliance relationships on interstate relations including case studies of trans Atlantic relations in the post Cold War period the foreign policy of the unified Germany and relations among China Japan and Taiwan A highly original revisionist assessment of U S foreign policy of liberal isolationism in the 1920s along with lessons for U S statesmen and policy makers today A Council on Foreign Relations book

**The Chief Justice** David J. Danelski, Artemus Ward, 2016-08-05 Scholars use the most advanced methods in judicial studies to examine the role of Chief Justice of the U S Supreme Court

**The U.S. Justice System** Steven Harmon Wilson, 2011-12-06 A comprehensive three volume set that

provides detailed background essays short topical entries and primary document excerpts to explain the organization history and functioning of the U S justice system The U S Justice System An Encyclopedia is a one stop resource uniquely structured to include both introductory information as well as more in depth and detailed resources It explains not only how the American civil and criminal justice system affects the parties to a particular case or other legal action but also how the rights benefits and legal protections of our country impact virtually all people in America The set comprises three volumes The first volume provides chapter length essays explaining the organization and functioning of federal state and local government as well as the working of federal and state judiciaries regulatory bodies and penal systems The second volume contains shorter alphabetically arranged entries on hundreds of law related topics including case descriptions and biographies of major figures federal and state court organizational charts legal statistics and other background information The third volume contains original documents statutes and texts of important cases relevant to the functioning of the American justice system Readers will understand the structures concepts and vocabulary of American law and legal institutions and grasp how the U S legal system has evolved to meet the complex changing needs of the nation

*A Genealogical Study of the Family of Charles Evans Hughes, 1862-1948*, 1994 Charles Evans Hughes was born in New York in 1862 His father was a minister and they lived in various states along the mid Atlantic coast during his youth Most of his father s family remained in Wales while his mother s family were early settlers of New York Charles married Ellen Antoinette Carter and they had 4 children Charles served as governor of New York and a U S Supreme Court Justice until 1941 This record details many of his ancestral lines and family relationships both in America and Wales Descendants now live throughout the United States and elsewhere

Courtwatchers Clare Cushman, 2011-10-16 In the first Supreme Court history told primarily through eyewitness accounts from Court insiders Clare Cushman provides readers with a behind the scenes look at the people practices and traditions that have shaped an American institution for more than 200 years Each chapter covers one general thematic topic and weaves a narrative from memoirs letters diaries and newspaper accounts by the Justices their spouses and children court reporters clerks oral advocates court staff journalists and other eyewitnesses These accounts allow readers to feel as if they are squeezed into the packed courtroom in 1844 as silver tongued orator Daniel Webster addresses the court eavesdropping on an exasperated Oliver Wendell Holmes Jr in 1930 as he snaps at a clerk s critique of his draft opinion or sharing a taxi with future Chief Justice John G Roberts Jr in 2005 as he rushes home from the airport in anticipation of a phone call from President Bush offering him the nomination to the Supreme Court This entertaining and enlightening tour of the Supreme Court s colorful personalities and inner workings will be of interest to all readers of American political and legal history

*Buying the Vote* Robert E. Mutch, 2014-07-01 *Buying the Vote* A History of Campaign Finance Reform analyzes the rise and decline of campaign finance reform by tracking changes in the funding of presidential campaigns and changes in the debate over reforming fundraising practices An examination of Supreme Court decisions shows how the Court has fashioned

a profoundly inegalitarian redefinition of American democracy      *DREAM OF DELIVERANCE* Mona Harrington, 2013-08-21

In this major work of historical and political analysis Mona Harrington examines curcial missteps and uncertainties in the American statecraft from Woodrow Wilson s time to Ronald Reagan s and traces them to a potent myth at the center of our political thinking It is a myth peculiarly American a long held belief that the troubles of society can be traced to some specific evil be it a profiteering in munitions or the multinational corporation or the communist conspiracy or wasteful social programs and that by smiting the evil we can achieve social well being for all The author demonstrates how deeply this dream of deliverance has been rooted in American culture from the very beginnings of the nation in the concept of a society in which conflicts between groups of widely divergent interests can be resolved without undeserved loss to any party We see the consequences of this belief in our continuing tendency to oversimplify issues both domestic and foreign and in our obsessive expenditure of public energy on the search for and pursuit of the evil to be exorcised The dilemma is further exacerbated because the country s three major economic interest groups industrial wage earners industrial owners and managers and the cluster of interests tied to local economies are prone to demonologies as widely divergent as their interests and there can seldom be agreement as to the identity of the evil How this bondage to the dream of deliverance has affected the functioning of American government making our politics a never ending argument whose terms have scarcely changed over the past century is brilliant explicated Connecting the deepest workings of statecraft to what we know about the dynamics of our own individual lives this highly original book leads us away from a myth driven politics and toward a difficult encounter with reality toward liberation from the endless search for the serpent whose defeat with return us to Eden toward a national recognition that in conditions of conflict it is not always possibly for all to emerge as winners toward the shaping of a politics that will enable us to allocate in the most decent possible way the losses that we cannot avoid      **The Jazz Age**

**President** Ryan S. Walters, 2022-02-15 Presidents are ranked wrong In *The Jazz Age* President Defending Warren G Harding Ryan Walters mounts a case that Harding deserves to move up and supplies the evidence to make that case strong Amity Shlaes bestselling author of *Coolidge* He s the butt of political jokes frequently subjected to ridicule and almost never absent a Worst Presidents list where he most often ends up at the bottom Historians have labeled him the Worst President Ever Dead Last Unfit and Incompetent to name but a few Many contemporaries were equally cruel H L Mencken called him a nitwit To Alice Roosevelt Longworth he was a slob Such is the current reputation of our 29th President Warren Gamaliel Harding In an interesting survey in 1982 which divided the scholarly respondents into conservative and liberal categories both groups picked Harding as the worst President But historian Ryan Walters shows that Harding a humble man from Marion Ohio has been unfairly remembered He quickly fixed an economy in depression and started the boom of the Roaring Twenties healed a nation in the throes of social disruption and reversed America s interventionist foreign policy

### **The Autobiographical Notes Of Charles Evans Hughes Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Autobiographical Notes Of Charles Evans Hughes free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Autobiographical Notes Of Charles Evans Hughes free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Autobiographical Notes Of Charles Evans Hughes free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading The Autobiographical Notes Of Charles Evans Hughes. In conclusion, the internet offers numerous

platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Autobiographical Notes Of Charles Evans Hughes any PDF files. With these platforms, the world of PDF downloads is just a click away.

### FAQs About The Autobiographical Notes Of Charles Evans Hughes Books
