The Baby in the Icebox and Other Short Fiction James Mallahan Cain,1981 **The Baby in the Icebox** James M. Cain,2013-08-13 A collection of stories both early and late that show how Mystery Writers of America Grand Master James M Cain made his name There is a hungry tiger loose in the house and that is not good news for anyone A jealous husband let the animal out of his cage hoping he would eat his wife alive but tigers aren t used to taking orders This jungle cat will get his meal and he doesn t care where it comes from The Baby in the Icebox begins with a murdered wildcat and ends with a dead human and what comes in between is some of the most striking prose James M Cain ever put to paper It is one of the first stories this master of crime fiction ever wrote and it shows all the hallmarks of the novels that would later make him famous namely Double Indemnity and The Postman Always Rings Twice The tales in this collection are short but Cain never needed more than a few pages to thrill **Justice Denoted** Terry White,2003-09-30 White provides the most comprehensive scholarly compilation of fictional work of legal suspense in existence Primarily a bibliography of novels it also annotates plays scripts for film and television novelizations and short story collections about lawyers and the law The idea behind the principal of selection is to disdain labels that reduce the variety of the legal thriller to a subgenre of mystery fiction Novels that range from suspense thrillers through science fiction to the philosophical novel are included if justice is thematically important It is therefore an eclectic reference source beyond a compilation of books about lawyers as protagonists Its biographical and scholarly information about authors major and minor and their novels or works is traditionally encyclopedic and objective regardless of whether the work has been genre defined or worse deified as a classic or denigrated as a bestseller Many novels included are long out of print but historically interesting for their contribution to the lineage of the courtroom drama showing that the history of the legal thriller is one of the major branches of modern literature since the Age of Reason The criterion of justice denoted moves beyond the fact of lawyers and courtrooms to select seminal novels like Robert Travers Anatomy of a Murder as well as the romantic potboiler Among the more than 2 000 works are the Perry Mason novels of Erle Stanley Gardner John Mortimer s Rumpole series along with a staple of fiction by major authors of the genre like John Lescroart Lisa Scottoline Margaret Maron Scott Turow and John Grisham There are also individual works by Shakespeare Goethe Kafka Camus and Twain delineating humanity s obsession with the law as its shining prop of civilization and alternative b te noire of the common individual caught up in its maw The appendices include comments by lawyer novelist Michael A Kahn a historical introduction to the legal thriller craft notes by writers and prominent trial lawyers responding to author and lawyer questionnaires bibliography of critical sources and articles series characters and the legal terminology found in courtroom dramas and novels An essential reference tool for scholars researchers as well as the occasional reader of legal thrillers Career in C Major James M. Cain,2013-08-13 DIVDIVFrom a famous tough guy writer a collection of shockingly funny stories divDIV Ever since she got married Doris has regretted giving up her singing career

After years of domestic drudgery she decides to take one last crack at becoming an opera singer even if it means sacrificing everything for the sake of her dream Her contractor husband is fully supportive having no idea that the family s true musical genius isn t Doris it s him divDIV In this and other stories in Career in C Major James M Cain shows off a light comedic touch that will surprise readers who are familiar only with his crime novels The Postman Always Rings Twice and Double Indemnity But Cain had been publishing funny stories articles and satire since his early days as a reporter for H L Mencken s Baltimore Sun and was just as comfortable writing about singers as he was about killers This collection of Cain s lighter work shows that if an author is tough it doesn t mean he can t crack a smile divDIV div div
