Phillips,1999-11-20 How does an anti charismatic end up embracing all he once rejected Out of a deep hunger for the reality of Jesus Ron Phillips was determined to know God more deeply or get out of the ministry Through crisis and a series of disaster he discovered the power released by the baptism of the Holy Spirit This is the story of that transformation and the effect it had on the author and his congregation It is also a passionate cry for unity and wisdom and a call for charismatics fundamentalists evangelicals and Christians of every denomination to find biblical common ground and freedom in the Spirit

"By my Spirit" Jonathan Goforth,2016-11-28 Dr A T Schofield says One thing to be borne in mind is that since the days of Pentecost there is no record of the sudden and direct work of the Spirit of God upon the souls of men that has not been accompanied by events more or less abnormal It is indeed on consideration only natural that it should be so We cannot expect an abnormal inrush of Divine light and power so profoundly affecting the emotions and changing the lives of men without remarkable results As well expect a hurricane an earthquake or a flood to leave nothing abnormal in its course as to expect a true Revival that is not accompanied by events quite out of our ordinary experience **The Latin Works and the Correspondence of Huldreich Zwingli** Ulrich Zwingli,1929 **The Gospel Trumpet** ,1920 [Commentary on True and False Religion](#) Ulrich Zwingli,2015-06-18 Next to Luther himself Ulrich Zwingli 1484 1531 was probably the most important and certainly the most influential of the early Protestant reformers His *Commentary on True and False Religion* addressed to King Francis I of France and published by the printer Froschauer in Zurich in 1525 contrasted what Zwingli regarded as the true religion of the Protestants grounded in Scripture with the false religion of tradition and reason advocated by the opponents of the Reformation In twenty nine chapters Zwingli discussed all of the principal topics of Christian theology from the meaning of the word religion itself to the role and place of images in Christian worship All the disputed issues of the early Reformation the doctrine of Church and ministry baptism penance eucharist the nature of civil authority are explained lucidly and concisely The *Commentary* makes clear not only the grounds for Zwingli s break with the medieval Catholic tradition in which he had been raised but also the nature of his disagreements with Erasmus Luther and the Swiss Anabaptists The result is the most significant dogmatic work which Zwingli ever wrote and the most important systematic statement of Reformed theology before Calvin s Institutes [The Amazing Power of the Holy Spirit](#) E.
