The Art of Thomas Merton Ross Labrie, 1979 A study and general literary introduction to the writings of Thomas Merton displaying his versatility in mastering various literary forms including novel diary essay and poem **The Art of Thomas Merton** John Moses, 2018-02-13 The Art of Thomas Merton brings together entries from Merton's journals extracts from his letters quotations from his books and his countless articles and lines from his poetry But what truly sets this collection apart is the inclusion of Merton's abstract drawings exercises in quiet reflection that convey something of the awareness through silence that he was always eager to explore Angelic Mistakes Roger Lipsey, 2006 Striking new insights into the life and thoughts of the beloved spiritual writer are presented through his rarely seen visual art produced in the last decade of his life This collection presents 40 of the most telling examples of Merton's art each accompanied by an excerpt from Merton's own writing on art **The Literary Essays of Thomas Merton** Thomas Merton, 1985 Discusses Blake Joyce Pasternak Faulkner Styron O'Connor Camus symbolism creativity alienation contemplation and freedom The Art of Thomas Merton Ross Labrie, 1979 A study and general literary introduction to the writings of Thomas Merton displaying his versatility in mastering various literary forms including novel diary essay and poem Thomas Merton's Art of Denial David D. Cooper, 2008-12-01 Trappist monk and best selling author Thomas Merton battled constantly within himself as he attempted to reconcile two seemingly incompatible roles in life As a devout Catholic he took vows of silence and stability longing for the security and closure of the monastic life But as a writer he felt compelled to seek friendships in literary circles and success in the secular world In Thomas Merton's Art of Denial David D Cooper traces Merton's attempts to reach an accommodation with himself to find a way in which the silence of the monk could live compatibly with the racket of the writer From the roots of this painful division in the unsettled early years of Merton's life to the turmoil of his directionless early adult years in which he first attempted to write he was besieged with self doubts Turning to life in a monastery in Kentucky in 1941 Merton believed he would find the solitude and peace lacking in the quotidian world But as Merton once wrote An author in a Trappist monastery is like a duck in a chicken coop And he would give anything in the world to be a chicken instead of a duck Merton felt compelled to choose between life as either a less than perfect priest or a less prolific writer Discovering in his middle years that the ideal monastic life he had envisioned was an impossibility Merton turned his energies to abolishing war It was in this pursuit that he finally succeeded in fusing the two sides of his life converting his frustrated idealism into a radical humanism placed in the service of world peace Here is a portrait of a man torn between the influence of the twentieth century and the serenity of the religious ideal a man who used his own personal crises to guide his youthful ideals to a higher purpose **Thomas Merton's Poetics of Self-Dissolution** Sonia Petisco, 2017-07-26 This book includes a collection of essays on the poetry of Thomas Merton 1915-1968 one of the most relevant spiritual masters of the twentieth century These scholarly inquiries are all glimpses which accurately represent his

poetics of dissolution the dissolution of the old corrupt world in favour of an apocalyptic vision of a new world Este libro incluye una colecci n de ensayos sobre la poes a de Thomas Merton 1915 1968 uno de los maestros espirituales m s relevantes del siglo XX Todas estas investigaciones acad micas dejan entrever lo que representa exactamente su po tica de desintegraci n la descomposici n del viejo mundo corrupto a favor de una visi n apocal ptica de un nuevo mundo categorizaciones abstractas de lo sobrenatural que dan paso a una experiencia ntima y m s din mica de lo sagrado en el hogar y en el mundo

The Letters of Thomas Merton and Victor and Carolyn Hammer F. Douglas Scutchfield,Paul Evans Holbrook Jr.,2014-12-25 Poet social justice advocate and theologian Thomas Merton 1915 1968 is arguably the most influential American Catholic author of the twentieth century In his short lifetime he penned over seventy books and maintained a brisk correspondence with colleagues around the globe However many Merton scholars and fans remain unaware of the significant body of letters that were exchanged between the Trappist monk and Victor and Carolyn Hammer Unable to leave his home at the Abbey of Gethsemani except on special occasions Merton developed a unique friendship with this couple from nearby Lexington Kentucky Carolyn who supplied Merton with many of the books he required for his writing and teaching was a founder of the King Library Press at the University of Kentucky Victor was an accomplished painter sculptor printer and architect The friendship and collaborations between Merton and the Hammers reveal their shared interest in the convergence of art literature and spirituality In this volume editors F Douglas Scutchfield and Paul Evans Holbrook Jr have collected the trio s complete correspondence for the first time Their letters arranged chronologically vividly demonstrate a blossoming intellectual camaraderie and provide a unique opportunity to understand Merton s evolving philosophies At times humorous often profound the letters in this volume shed light on a rare friendship and offer new insights into the creative intellect of Thomas Merton

An Asian Woman's Religious Journey with Thomas Merton Jung Eun Sophia Park,2021-11-30 Join Jung Eun Sophia Park on her personal quest for God and her true self through the writings of Thomas Merton Approaching Merton as an Asian immigrant feminist in the postcolonial era Park s perspective is a unique one and in this dance sometimes it is her and sometimes Merton who leads Throughout Eastern and Western spirituality are organically woven together in reflection on Merton s narratives and in the examination of late capitalism poverty beauty and violence These reflections are insightful provocative and illuminating particularly with regard to his androcentric spirituality especially as it relates to his relationships with women
