From the Moment We Met: The Astrology of Adult Relationships Brian Clark, 2018-01-08 Relationship astrology synastry is not just an exploration of compatibility and possibility it calls us to honour the mystery and soul of our attachments not for what we want them to be but for how they truly are By its very nature relationship is inevitable Embedded in every human being is an instinct to respond and attach to embrace the desire and urge to relate As an integral human pattern relationship is an aspect of every individual s future shaped by the familial ancestral and cultural atmosphere of the times in which they live consequently relationship is a central motif woven into each individual horoscope When two souls form a relationship with one another so do their horoscopes The quest to understand the heart of relationship inspires this volume From the Moment We Met offers a guide through the labyrinth of astrological symbols and images towards a clearer understanding and acceptance of your adult relationships *Light on Relationships* Hart Defouw, Robert E. Svoboda, 2025-09-12 The sages of ancient India developed the astrological practice of Jyotisha as a karmameasuring apparatus to indicate where your karmas will permit ideals to be shared between you and those with whom you relate Jyotisha can help restructure relationship dynamics by providing perspectives on when and how your relationships and their difficulties are likely to arise and dissipate *Light on Relationships* is currently the only book that makes relationship analysis accessible to the modern student of Indian astrology If you want to learn how to use this system for chart comparison this book gives you the complete details The authors cover the techniques of synastry and explore all the facets of what makes a relationship workor not including personal karma and goals family influences the Ayurvedic constitution or dosha of each individual and how these elements are revealed In an entertaining and informative way the authors explain how the individual chart will reveal your inborn ability to relate They explain the traditional ten Porutthams which evaluate a couple s sukha external and internal happiness and explore superstitious concepts such as Vishna Kanya literally poison maiden or Kuja Dosha The Blemish of Mars Included are details on determining the most auspicious times for a wedding This approach to synastry has been developed over years of experimentation The authors blend the principles of synastry with other techniques culled from Jyotisha s classical canon Some of the less conventional techniques presented come from ancient oral traditions never before

incorporated into the classical works Other methods come from the authors mentors and some have been developed from processes validated over many years of their experience The authors build on some of the best principles of the astrological traditions of both West and East hoping to bring the two camps closer together
