The Atlanta Campaign May/November 1864:

The Atlanta Campaign David A. Powell, 2025-11-04 The Atlanta Campaign sheds light on the overlooked 1864 campaign in Georgia detailing the strategic maneuvers and battles between Sherman and Johnston For scope drama and importance the Atlanta Campaign was second only to Ulysses S Grant's Overland Campaign in Virginia Despite its criticality and massive array of primary source material it has lingered in the shadows of other campaigns and has yet to receive the treatment it deserves Powell's The Atlanta Campaign Volume 1 Dalton to Cassville May 1-19 1864 the first in a proposed five volume treatment ends that oversight Once Grant decided to go east and lead the Federal armies against Robert E Lee's Army of Northern Virginia he chose William T Sherman to do the same in Georgia against Joseph E Johnston and his ill-starred Army of Tennessee Sherman's base was Chattanooga Johnston's was Atlanta The grueling campaign opened on May 1 1864 While Grant and Lee grappled with one another like wrestlers Sherman and Johnston parried and feinted like fencers Johnston eschewed the offensive while hoping to lure Sherman into headlong assaults against fortified lines Sherman disliked the uncertainty of battle and preferred maneuvering When Johnston dug in Sherman sought his flanks and turned the Confederates out of seemingly impregnable positions in a campaign noted Civil War historian Richard M McMurry dubbed the Red Clay Minuet Contrary to popular belief Sherman did not set out to capture Atlanta His orders were to move against Johnston's army to break it up and to get into the interior of the enemy's country inflicting all the damage you can against their war resources No Civil War army could survive long without its logistical base and Atlanta was vital to the larger Confederate war effort As Johnston retreated Southern fears for the city grew As Sherman advanced Northern expectations increased This first installment of The Atlanta Campaign relies on a mountain of primary source material and extensive experience with the terrain to examine the battles of Dalton Resaca Rome Crossroads Adairsville and Cassville the first phase of the long and momentous campaign While none of these engagements matched the bloodshed of the Wilderness or Spotsylvania each witnessed periods of intense fighting and key decision making The largest fight Resaca produced more than 8 000 killed wounded and missing in just two days In between these actions the armies skirmished daily in a campaign its participants would recall as the 100 days fight Like Powell's The Chickamauga Campaign trilogy this multi-volume study breaks new ground and promises to be this generation's definitive treatment of one of the most important and fascinating confrontations of the entire Civil War

The Atlanta Campaign, 1864: Sherman's Campaign to the Outskirts of Atlanta David A. Powell, 2025-08-05 A fully illustrated narrative of the Atlanta campaign complete with maps illustrations and diagrams The campaign for Atlanta was pivotal to the outcome of the American Civil War Roughly 190 000 men waged war across northern Georgia in a struggle that lasted 133 days Today a national park at Kennesaw commemorates this titanic fight and there are a surprising number of physical reminders still extant across the state The struggle for Atlanta divides naturally into two stages The first half of the campaign from May to mid July can be defined as a war of maneuver called by

one historian the Red Clay Minuet Under Joseph E Johnston the Confederate Army of Tennessee repeatedly invited battle from strong defensive positions Under William T Sherman the combined Federal armies of the Cumberland the Tennessee and the Ohio repeatedly avoided attacking those positions Sherman preferring to outflank them instead Though there were a number of sharp bloody engagements during this phase of the campaign the combats were limited Only the battles of Resaca and Kennesaw Mountain could be considered general engagements Johnston s repeated retreats and the commensurate loss of terrain finally forced Confederate President Jefferson Davis to replace him with a more aggressive commander John B Hood This work will portray the first half of the Atlanta Campaign in text and images using both historic sketches and photographs as well as post war and modern images Extant trenches rifle pits redoubts shoupades and other works as well as the battlefields will be covered as well as surviving historic structures and the monuments and cemeteries that commemorate the campaign
