The Attic Trunk:

The Attic Trunk Jules Winistorfer, 2005-04-06 The Attic Trunk is a collection of unusual stories designed to stimulate the reader's imagination. Written in an irreverent style without regard to contemporary convention its offbeat characters will make you laugh cry wonder and perhaps stamp your feet in anger The Trunk in the Attic Kelsey Welch, 2016-03-11 A boy named Raymond who lost his father in the war lives with his mother and two older sisters in an old two story house. He recently lost his best friend due to his friend's father's job reassignment. Now he is all alone and he hates it. On an especially bad day he discovers a ceiling door to an attic and climbs up on it. In the attic he discovers a trunk that he later finds out has magical powers and he wants to use them to get his father back. What kind of magical powers are in this box? Will Raymond get his father back along the journey The Trunk in the Attic , **Hypno-Scripts** Mary Deal, 2021-12-24 Unleash the power of your mind and discover your potential. Do you wish you had the power to become all that you can be? All good intentioned programming works best when you reach a deeper state of mind. The secret is in accessing those states through easy life changing techniques. A thin window of consciousness differentiates two states of the mind: self hypnosis and meditation. This book will show their similarities and define each condition and accessibility. If you're curious enough to at least peruse this book then the ability to learn these techniques is already a part of your consciousness and will soon be recognized. Lucky you! Your subconscious is prompting you to investigate. It is saying that you are capable of deeper states of mind. Many have tried to focus to learn either self hypnosis or meditation and failed. Applied concentration and knowing what to expect once entranced may be what was missing. The instructions in this book are meant for those wishing to learn and use the techniques of self hypnosis and or meditation for self improvement. Easy yet powerful scripts are provided to produce desired changes. You can change your life today **Sue and Guinness Adventures** Diana Otto, Ann Rybowskiak, 2020-04-02 A young girl continues to uncover information about her past as she explores the state of Hawaii Haunted Kansas Lisa Hefner Heitz, 1997 A collection of ghost stories and narration unique to the state of Kansas. The stories are a blend of mystery and menace. The ghosts are shown to be notoriously linked to a specific structure or landscape whether it be an 18th century mansion or a bottomless pool The Trunk in the Attic Linda Elaine Taylor, 2011-08-01 When two children discover an old trunk in the attic they learn their grandmother had a past they knew nothing about. A warm gentle story that fosters empathy and understanding **Performance Art** David Kranes, 2021-10-05 Part of our socialization is the urge to perform. We perform images of ourselves for others. If we are successful we are called on to perform. For some the urge is so great and the talent sufficient that we become performers. Performance Art is a book about performers and performances which are extreme. Most of these stories and their performers and performances are at the edge of dream **Stories for Any Day** Carolyn Sherwin Bailey, 1917 *The Outlook* , 1898
