Tozer, 1997-04 A companion to The Attributes of God The Attributes of God Journal is more than a text with room to write It is a call to commune with God a worship manual and a worship opportunity merged into one Padded Cloth Ibn Taymiyya and the Attributes of God Farid Suleiman, 2024-01-15 In Ibn Taymiyya and the Attributes of God orig published in German 2019 Farid Suleiman pieces together on the basis of statements scattered unsystematically over numerous individual treatises an overall picture of the methodological foundations of Ibn Taymiyya s doctrine of the divine attributes He then examines how Ibn Taymiyya applies these foundational principles as exemplified in his treatment of selected divine attributes Throughout the book Suleiman relates Ibn Taymiyya s positions to the larger context of Islamic intellectual history The book was awarded the Dissertation Prize 2019 by the Academy for Islam in Research and Society AIWG and the Classical Islamic Book Prize by Gorgias Press 2020 *The Names of God Journal* Chinedu Okoye, 2011-11-08 This journal gives you 366 lined pages to record your thoughts feelings goals dreams and testimonies throughout the year No more scrap notes lying about your library study or work area No more lost or misplaced journals half way through the year It is designed to bring you directly under the canopy of the powerful presence of God With a different name or attribute of God each day of the year you will surely delight yourself in learning and mastering new names of your creator Using the journal daily you find yourself before the timeless uncontainable and unlimited God Use this journal along with your daily bible study to record the revelations you receive your understanding of the revelations and your prayer petitions On January 1 record your New Year resolutions initial prayer points and goals for the year On December 31 go back and reflect on your unique journey and discover a new sense of Gods faithful presence Not strictly for the religious and individuals interested in knowing and praying the names of God this journal is also useful to people doing academic work to business executives bible scholars and regular journal keepers *Wrath Among the Perfections of God's Life* Jeremy J. Wynne, 2013-02-14 Late modern theology is marked by persistent and widespread uncertainty as to how the wrath of God can be taken up as a legitimate theme within dogmatics Rather than engage the most fundamental task of clarifying the inner logic by which God s identity is revealed in scripture privilege has been ceded either to cultural and textual criticism to ostensibly self evident moral sensibilities or to the thematization of religious experience The present work sets out to rectify this misstep The result is a rigorous proposal for understanding wrath expressly within the doctrine of God as a redemptive mode of divine righteousness **God's Economy Journal** M. A. Johnson, 2009-07 For I know the plans I have for you declares the LORD plans to prosper you and not to harm you give you hope and a future Then you will call upon me and come and pray to me and I will listen to you You will seek me and find me when you seek me with all your heart I will be found by you declares the LORD Jeremiah 29 11 14 NIV You are cordially invited to take a 31 day journey with M A Johnson in her companion book to GOD S ECONOMY This 31 day JOURNAL is intended to help you your family and church or prayer group

The Spiritual Journals of Warren Felt Evans, 2016-12-19 Warren Felt Evans, 1817-1889 converted to Methodism while at Dartmouth College, became a minister and spent his Methodist years as a spiritual seeker. His two extant journals, edited and annotated by Catherine L. Albanese, appear in print for the first time and reveal the inner journey of a leading American spiritual pilgrim at a critical period in his religious search. A voracious reader, he recorded accounts of intense religious experience in his journals. He moved from the Oberlin perfectionism he embraced early on through the French quietism of Madame J. Guyon and Archbishop F. Nelson, then into Swedenborgianism, spiritualism, and mind cure with distinct theosophical overtones. His carefully documented journey is suggestive of the similar journeys of the religious seekers who made their way into the burgeoning metaphysical movement at the end of the 19th century and may shed light too on today's spirituality.

The Christian Science Journal, 1915 **Third Article Theology** Myk Habets, 2016-09-01 Third Article Theology (TAT) is the name given to a new movement in constructive theology utilizing a distinctly pneumatological approach to dogmatics. Trinitarian in its foundation, pneumatological in its impetus, and comprehensive in its scope, TAT specifies both a method and a theology. Thinking through the theological loci of the tradition in relation to the Holy Spirit opens up new vistas and a deeper vision of the task of theology, revealing ways of thinking hitherto eclipsed by the tradition. Drawing upon the trinitarianism of the Great Tradition, theologians from across the theological spectrum bring their voices to bear upon central and defining theological issues of today in order to present a new form of systematic theology, a pneumatological dogmatics capable of representing the faith in a contemporary mode. For students, scholars, and clergy, the volume unfolds the classic articles of systematic theology in this new register. Each doctrinal article is written by a leading theologian in the field, with essays from Amos Yong, Eugene Rogers, Veli-Matti Karkkainen, Joel Green, Marc Cortez, Frank Macchia, Myk Habets, and others.

Positive Actions Speak Louder Than Words Barbara J. Forsyth, 2025-09-03 I ask God that you may know what He wants you to do. I ask God to fill you with wisdom and understanding. The Holy Spirit gives. Then your lives will please the Lord. You will do every kind of good work and you will

know more about God I pray that God's great power will make you strong and that you will have joy as you wait and do not give up Colossians 1:9b-2 New Life Version *The End of the Timeless God* R. T. Mullins, 2016 This book considers two approaches to the philosophy of time presentism and eternalism
