Shahab ud-Din Suhrawardi, H. Wilberforce Clarke, 1987-01-01 *Striving for Divine Union* Qamar-ul Huda, 2005-08-08 This
book examines the theological philosophical and Islamic mystical dimensions of the Suhraward sufi order from the 13th to
15th centuries The Suhraward s were a legally grounded and intellectually vibrant sufi order whose mystical path was based
on exchanges and debates on the Qur an and on the Prophet s customs The book analyses their interpretation of sacred texts
the Qur an hadiths sunna and malfuzat This created a unique self understanding which developed specific sufi spiritual
exercises The book discusses new important ways of thinking about the sufi hermeneutics of the Qur an and its contribution
to Islamic intellectual and spiritual life **The Making of Medieval Panjab** Surinder Singh, 2019-09-30 This book seeks to
reconstruct the past of undivided Panjab during five medieval centuries It opens with a narrative of the efforts of Turkish
warlords to achieve control in the face of tribal resistance internal dissensions and external invasions It examines the
linkages of the ruling class with Zamindars and Sufis paving the way for canal irrigation and agrarian expansion thus
strengthening the roots of the state in the region While focusing on the post Timur phase it tries to make sense of the new
ways of acquiring political power This work uncovers the perpetual attempts of Zamindars to achieve local dominance
particularly in the context of declining presence of the state in the countryside In this ambitious enterprise they resorted to
the support of their clans adherence to hallowed customs and recurrent use of violence all applied through a system of
collective and participatory decision making The volume traces the growth of Sufi lineages built on training disciples writing
books composing poetry and claiming miraculous powers Besides delving into the relations of the Sufis with the state and
different sections of the society it offers an account of the rituals at a prominent shrine Paying equal attention to the
southeastern region it deals with engagement of the Sabiris among other exemplars with the Islamic spirituality Inclusive in
approach and lucid in expression the work relies on a wide range of evidence from Persian chronicles Sufi literature and
folklore some of which have been used for the first time Please note Taylor Francis does not sell or distribute the Hardback in

praxis in the medieval socio cultural milieu These writings also delve into the different genres of Sufi literature both in the
elite and vernacular languages intending to appreciate the nuances of Punjab Sufism Apart from the architectural features of
