The Awesome Foursome Selected Short Stories:

The Awesome Foursome Lyle K. Thadison, 1993 **Tales of the Awesome Foursome** Linda Schultz, 2004 Take a trip down Penny Lane and memory lane In this unique and exceptional collection Beatles fans of all ages share their own true stories anecdotes poems and memories *The Collected Short Stories* Frank Acri Frank Acri, 2022-02-07 These stories are works of fiction though they are loosely based on the events of my life so far I will let the reader decide which are true and which are not I sincerely hope that my life will last long enough for a second volume While many of the characters are fictional they are also based on the people who have touched my life many times over the years And there are certain of them that are very real I remember vaguely my time in college We had to study books we could not just read them Looking back I have to think that eighteen to twenty one year old children are too young to appreciate what they are studying Rereading some of what I had to read in college I can now at my advanced age come away with an understanding of what I am reading This collection holds no hidden meaning or symbolism If you see any of that then you made it up Mine is an open book if you will There are no vague literary references either I do not have to be pedantic I do brag a little about my life though This may seem pretentious also but this is my book I just want anyone who reads this book to enjoy **The Collected Short Stories of Edna Ferber - Including Buttered Side Down, Cheerful - By Request, Half Portions, & Gigolo** Edna Ferber, 2022-09-26 A collection of short stories by the infamously witty Jazz Age writer and Pulitzer Prize winning novelist Edna Ferber including Buttered Side Down Cheerful By Request Half Portions and Gigolo This volume features many of Edna Ferber's best works of fiction The Algonquin Round Table writer is known for her masterful ability to capture quiet everyday lives and present insightful philosophies Many of her characters are strong wilful women who have the remarkable capacity to exceed expectations as single mothers and businesswomen The stories in this book are sad enlightening comedic and surprisingly modern The Collected Short Stories of Edna Ferber explores life before during and after the First World War taking the reader through the quiet countryside of North America and into the States bustling cities This collection features much loved stories including The Kitchen Side of the Door The Leading Lady Cheerful by Request The Woman Who Tried to Be Good The Maternal Feminine One Hundred Per Cent Gigolo The Sudden Sixties First published between 1911 and 1922 this volume is now in a brand new edition complete with an introduction by Rogers Dickinson The Collected Short Stories of Edna Ferber would make the perfect gift for fans of the early feminist writer **Publishers Trade List Annual, 1996, 1 R R Bowker Publishing, Trade List Annual 199 Publishers', 1996-09 The Accident at Sanborn Corners.....And Other Minnesota Short Stories** J. L. Larson, 2013-06-11 Minnesota is known for frigid weather thousands of lakes and Scandinavian humor But in this anthology of ten short stories J L Larson shows a different side of the state via unique tales of conflict adventure and intrigue that often transport characters outside its borders In July of 1970 at a benign looking intersection in the middle of Minnesota farmland a fateful mishap occurs yet again What is it about this seemingly

nondescript junction that makes it such a repetitive and bloody deathtrap Is it the terrain the weather the drivers or a combination of these and maybe a few other factors In another story a paper company executive and his wife must cope with an empty nest and the loss of his job Hes doing fine until he receives a strange late night call about his self centered malicious nemesis from the old job In tale after tale Larson showcases eclectic characters who embark on adventures that include a disaster on a popular lake an emotional confrontation in a university classroom the mysterious travel exploits experienced by a young man with his uncle and the recurring dramatic impact on a young teen as his life moves forward following a seemingly insignificant encounter The Accident at Sanborn Corners and Other Minnesota Short Stories is an entertaining compilation of situations and themes that illustrate how various characters cope with the unexpected in life
