

A man with dark hair, wearing a brown trench coat over a dark shirt, is shown in a state of distress. He is crouching or sitting low, with his head buried in his hands, which are covering his face. The background is a large, textured piece of aged parchment or paper, showing cracks and discoloration. The text "GOD OF mercy" is written in a large, dark green, serif font across the middle of the image. Below the text is a faint, stylized logo consisting of two interlocking circles with a diamond shape in the center. The overall mood is one of grief or despair.

The Awesome Mercy Of God

John Bunyan, Henry Stebbing

The Awesome Mercy Of God:

The Awesome Mercy of God John H. Hampsch, 2006 The mercy of God is mentioned directly in the Bible in more than 400 places It is mentioned indirectly in hundreds more from parables to prayers Too often though we fail to acknowledge God's enduring mercy Sometimes this is because we are confused or depressed sometimes because we fear our sins have placed us beyond his reach Fr Hampsch tells us The world's worst sinner can be forgiven in a fraction of a second by simply saying to the Lord with true sincerity I'm sorry No matter what our situation whether we are feeling burdened by sin enduring temptation coping with illness or struggling with doubt God's healing love is as near as the air we breathe With lively stories and inspiring meditations on Scripture Fr Hampsch reveals the good news that God stands by our side persistently offering his mercy

Great Is the Lord Ron Highfield, 2008-08-15 In keeping with the classic Christian tradition Great Is the Lord sets out the doctrine of God in a way that illumines the mind moves the heart and stirs the soul to praise the triune God Ron Highfield introduces students ministers and others to the traditional doctrine of God held by the majority of the church from the second to the twentieth century God is triune loving merciful gracious patient wise one simple omnipotent omniscient eternal omnipresent immutable impassible and glorious Irenically challenging open theism and process theology Highfield shows that the classical doctrine of God actually preserves our confidence in God's love and his liberating action better than its opponents do This traditional doctrine Highfield argues grounds our dignity and freedom in the center of reality the trinitarian life of God Highfield's work maintains the highest intellectual standards throughout even as it offers a true theology for the praise of God
