Fortunately for them, this rhyming board book addresses what to expect: Your sister will drool. She will smell. She will scream. She just might pull your hair. She'll do things that seem mean. The text, accompanied by irresistible art from renowned illustrator Sam Williams, also explains how older kids can be role models to their new little sister. You can be her first teacher. Show her things that you know. Give her patience and love. She's just starting to grow. At the back of the book, there's even designated space for older siblings to write about their new baby sister. This book is a great gift for the new big brother or big sister to be. And a great gift for parents too. Sam Williams's *Baby Cakes* has sold more than 65,000 copies. *Baby Sister* Marilyn Sachs, 1986 Fifteen-year-old Penny enjoys living in the shadow of her idolized older sister who is quirky, self-centered, impossible, and loved by everyone.
