The Babysitter Portfolio:

The Babysitter at Rest Jen George, 2016-10-17 I am so happy this collection exists I feel drunk with love for these stories They are so funny and weird and true Sheila Heti Five stories several as long as novellas introduce the world to Jen George a writer whose furiously imaginative new voice calls to mind Donald Barthelme and Leonora Carrington no less than Kathy Acker and Chris Kraus In Guidance The Party an ethereal alcoholic Guide in robes and flowing hair appears to help a thirty three year old woman prepare a party for her belated adulthood Take Care of Me Forever tragically lambasts the medical profession as a ship of fools afloat in loneliness and narcissism Instruction chronicles a season in an unconventional art school called The Warehouse where students divide their time between orgies art critiques and burying dead racehorses Combining slapstick surrealism erotica and social criticism Jen George's sprawling creative energy belies the secret precision and unexpected tenderness of everything she writes
