The Barrow Murder:

The Barrow Murder James I. Huston, 2004 The Brighton Murder Charles Hindley, 1875 **The Milk-Churn Murder** Miles Burton, 2025-03-04T00:00:00Z The book starts with the gruesome discovery of the dismembered body of an unidentified man in a milk churn outside the premises of a suitably surly farmer He denies all knowledge of the headless corpse or the churn and Arnold and Merrion set off on the trail which leads them all over the country Obviously the first question to arise is one of identity and in this our detectives are aided by various clues left with the body Merrion quickly deduces that some have been left by the murderer in order to set the police on the wrong track while others appear to have been planted by someone trying to help the police apprehend the culprit More hints follow and despite some false trails various red herrings and another brutal murder the villain is run to earth in an exciting finale **Murder & Mayhem on Staten Island** Patricia M. Salmon, 2013-10-08 New York City's own Lizzie Borden and eleven other true crimes as ghastly as anything in American Horror Story SILive.com Today Polly Bodine's name is lost to history But on Christmas night of 1843 she was accused of murdering her sister in law and infant niece in ways so heinous that the great showman P T Barnum proclaimed her The Witch of Staten Island Even Edgar Allan Poe weighed in on the female fiend fearing she'd escape justice He was right Polly was tried three times finally acquitted and disappeared into anonymity and legend until her death fifty years later Her story is just one of a dozen horrific murders unearthed by historian Patricia M Salmon in this fascinating peek into the gruesome history of the New York borough Among the other headline making cases The Baby Farm Murders The Jazz Age Kiss Slayer The Body in the Barrel and more These turn of the century tabloid tales of serial killers and psychopaths love gone wrong cold blooded revenge and unsolved mysteries are still the stuff of nightmares **Murder in a Parish Chest** Malcolm Noble, 2013-08-01 Peggy Pinch the policeman's wife is the only one who knows that Tug Macaulay was asleep in his bed when Cedar Wells was murdered But if Peggy tells the truth she will not only set tongues wagging but also prove that her husband has put words in the suspect's mouth Her only way through her dilemma is to identify the real murderer before too many questions are asked It's 1926 and there's no more wicked place for gossip than the village Post Office before lunchtime Choosing her friends carefully Peggy gathers clues from the retired schoolmistress a peculiar professor and the most unruly child in the village and uncovers the truth beneath the tittle tattle Press reviews praised Malcolm Noble's Peggy Pinch Policeman's Wife as darkly funny beautifully written and strangely moving This eagerly awaited sequel has all of those qualities and will delight his growing readership Murder by Poison Nicola Sly, 2011-10-30 Murder by poison is often thought of as a crime mainly committed by women usually to despatch an unwanted spouse or children While there are indeed many infamous female poisoners such as Mary Ann Cotton who is believed to have claimed at least twenty victims between 1860 and 1872 and Mary Wilson who killed her husbands and lovers in the 1950s for the proceeds of their insurance policies there are also many men who chose poison as their preferred means to deadly end Dr Thomas Neil Cream poisoned

five people between 1881 and 1892 and was connected with several earlier suspicious deaths while Staffordshire doctor William Palmer murdered at least ten victims between 1842 and 1856 Readily obtainable and almost undetectable prior to advances in forensic science during the twentieth century poison was considered the ideal method of murder and many of its exponents failed to stop at just one victim Along with the most notorious case of murder by poison in the country this book also features many of the cases that did not make national headlines examining not only the methods and motives but also the real stories of the perpetrators and their victims

The Murders at Bill's O'Jack's Giles Wilcock, 2025-01-16 On 3 April 1832 a twelve year old girl visited her grandfather's house a public house known as Bill's o Jack's on the edge of Saddleworth Moor only to find her uncle dying on the floor of a room saturated with blood Upstairs her grandfather lay in his bed having suffered mortal injuries Neither man lived long enough to explain what had happened The story of the murders of William and Thomas Bradbury quickly spread throughout the local area and beyond precipitating a frantic hunt for suspects No one was ever charged and the case remains unsolved but the story never quite went away becoming a legend that long outlived those directly affected The Bill's o Jack's Murders took place at a time of great change and the background to the case encompassed many issues including political reform enclosure and the growing influence of newspapers It was a crime very much of its time shaped by contemporary issues and concerns Yet the legend took on a life of its own removed from any historical context and continued to grow for almost a hundred years before settling down into a final form that only vaguely reflected reality Bill's o Jack's itself made infamous by the events of 1832 became an integral part of the local community and thrived on its notoriety until it was demolished in 1937 This book follows the story from that first morning and traces its transmutation into legend It examines the events leading up to the death of William and Thomas Bradbury and the aftermath of the murders it describes the lives of those affected the families the suspects and the journalists and places everything within the context of the tumultuous Georgian era
