Saints In Rome and Beyond Daniel Thelen,2015-02-22 Within Christian tradition the veneration of relics has happened quite naturally From the first few moments of Christian history as the three Marys looked on with surprise upon the empty tomb of Christ to the most recent martyr who in their own way suffers and joins him or herself to Christ s passion the church has always shown a great desire to provide special dignity to the dead and proper veneration and respect for their remains The Liturgy in a special way unites the most august celebration of the Eucharist with the memorials of the saints This not only reflects the eternal union that Christ desires for each of us in heaven but it also expresses the incredible love that God has for his creation This work attempts to tap into this marvelous reality By focusing primarily upon the saints of the Roman Catholic Liturgical Calendar it is hoped that the pilgrim may in a unique way participate in the Divine Liturgy by visiting the shrines of the saints on their feast days
