**Beyond the Borders**

Deborah L. Madsen,2003-08-20 This book challenges the boundaries of postcolonial theory Focusing on American literature it examines how America s own imperial history has shaped the literature that has emerged from America from Native American Latino Black and Asian American writers They contrast this with postcolonial literature from countries whose history has been shaped by American colonialism from Canada Central America and the Caribbean to Hawaii Indonesia and Vietnam It explores questions about national identity and multiculturalism why for instance is a Native writer categorised within American literature if writing on one side of the border but as Canadian and postcolonial if writing on the other This is a challenging collection that raises questions not only about the boundaries of postcolonial theory but also about ethnicity and multiculturalism and the impact of immigration and assimilation

**The Present State of Scholarship in the History of Rhetoric** Lynée Lewis Gaillet,Winifred Bryan Horner,2010-03-15 Through two previous editions The Present State of Scholarship in Historical and Contemporary Rhetoric has not only introduced new scholars to interdisciplinary research but also become a standard research tool in a number of fields and pointed the way toward future study Adopting research methodologies of revision and recovery this latest edition includes all new material while still following the format of the original and is constructed around bibliographical surveys of both primary and secondary works addressing the Classical Medieval Renaissance and eighteenth through twentieth century periods within the history of rhetoric The Present State of Scholarship in the History of Rhetoric doesn t simply update but rather recasts study in the history of rhetoric The authors experienced and well known scholars in their respective fields redefine existing strands of rhetorical study within the periods expand the scope of rhetorical engagement and include additional figures and their works The globalization and expansion of rhetoric are demonstrated in each of these parts and seen clearly in the inclusion of more female rhetors discussions of historical and contemporary electronic resources and examinations of rhetorical practices falling outside the academy and the traditional canon New to this edition is a cumulative review of twentieth century rhetoric along with a thematic index designed to facilitate interdisciplinary or specialized study and scholarly research across the traditional historical periods As programs incorporating rhetorical studies continue to expand at the university level students and researchers are in need of up to date bibliographical resources No other work matches the scope and approach of The Present State of Scholarship in the History of Rhetoric which carries scholarship on rhetoric into the twenty first century
