 American Usage has established itself as the preeminent guide to the effective use of the English language Brimming with  
 witty erudite essays on troublesome words and phrases this book authoritatively shows how to avoid the countless pitfalls  
 that await unwary writers and speakers whether the issues relate to grammar punctuation word choice or pronunciation Now  
 in the third edition readers will find the Garner s Language Change Index which registers where each disputed usage in  
 modern English falls on a five stage continuum from nonacceptability to the language community as a whole to acceptability  
 giving the book a consistent standard throughout Garner s Modern American Usage 3e is the first usage guide ever to  
 incorporate such a language change index and the judgments are based both on Garner s own original research in linguistic  
 corpora and on his analysis of hundreds of earlier studies Another first in this edition is the panel of critical readers 120 plus  
 commentators who have helped Garner reassess and update the text so that every page has been improved *Rough Sets
