

The painting is a close-up, intimate scene. A woman with dark hair, wearing a dark hat, is shown from the chest up, her face partially visible as she looks down at a child. The child, with light brown hair, is lying down, their head resting against the woman's chest. The child's face is in profile, looking towards the left. The woman's hand is visible, resting gently on the child's back. The background is a soft, light blue-green color. The overall style is characteristic of the Impressionist movement, with visible brushstrokes and a focus on light and color.
