the throne of Hell is up for grabs The time is now The demon Babbas has challenged Lucifer for the crown of Hades Babbas plan to deliver a fallen angel puts Lucifer in the awkward position of protecting that angel If Babbas can get the angel to lie he will unseat Lucifer and become Ruler of Hell Barney a harmless aging railroad conductor becomes the pawn in this game of evil vs evil Barney dies in a train wreck caused by Babbas and struggles as an earthbound angel to correct a lie that will save him from the eternal fires of Hell As Lucifer watches Babbas plot unravel powerless to intervene Barney is helped by his grandfather his adoring wife and his friends although none of them realizes how critical their help is The novel is a love story peppered with mystery suspense fantasy romance and even humor as it twists and turns its way Just when the reader believes he knows what will happen next another surprise sends the story reeling in a different direction Execution Larry Bossidy,Ram Charan,Charles Burck,2009-11-10 1 NEW YORK TIMES BESTSELLER More than two million copies in print The premier resource for how to deliver results in an uncertain world whether you re running an entire company or in your first management job A must read for anyone who cares about business The New York Times When Execution was first published it changed the way we did our jobs by focusing on the critical importance of the discipline of execution the ability to make the

final leap to success by actually getting things done Larry Bossidy and Ram Charan now reframe their empowering message for a world in which the old rules have been shattered radical change is becoming routine and the ability to execute is more important than ever Now and for the foreseeable future Growth will be slower But the company that executes well will have the confidence speed and resources to move fast as new opportunities emerge Competition will be fiercer with companies searching for any possible advantage in every area from products and technologies to location and management Governments will take on new roles in their national economies some as partners to business others imposing constraints Companies that execute well will be more attractive to government entities as partners and suppliers and better prepared to adapt to a new wave of regulation Risk management will become a top priority for every leader Execution gives you an edge in detecting new internal and external threats and in weathering crises that can never be fully predicted Execution shows how to link together people strategy and operations the three core processes of every business Leading these processes is the real job of running a business not formulating a vision and leaving the work of carrying it out to others Bossidy and Charan show the importance of being deeply and passionately engaged in an organization and why robust dialogues about people strategy and operations result in a business based on intellectual honesty and realism With paradigmatic case histories from the real world including examples like the diverging paths taken by Jamie Dimon at JPMorgan Chase and Charles Prince at Citigroup Execution provides the realistic and hard nosed approach to business success that could come only from authors as accomplished and insightful as Bossidy and Charan
