The Superintendent as CEO John R. Hoyle, Lars G. Bjork, Virginia Collier, Thomas Glass, 2004-08-07 John Hoyle and his co authors have done the impossible they have produced a textbook on the superintendency that is both research based and readable They have also bridged the gap between the world of those who believe everything is measurable and those who see leadership as spiritual and learning as a work in progress This is a major addition to the field of educating school system leaders Paul Houston Executive Director American Association of School Administrators Paul Houston Executive Director American Association of School Administrators Professors workshop facilitators school administration students and superintendents will find the content and authors insights to be highly relevant and enlightening Theodore J Kowalski Kuntz Family Chair in Educational Administration University of Dayton Theodore J Kowalski Kuntz Family Chair in Educational Administration University of Dayton This book represents an important contemporary effort to

provide direction to the construction of a text anchored curriculum for the preparation of superintendents Michelle Young Executive Director University Council for Educational Administration Michelle Young Executive Director University Council for Educational Administration Transform the role of superintendent into the district's Chief Executive Officer Executive CEOs need the management and executive skills to meet complex issues of budgets personnel information technologies product accountability and competition Superintendents require many of the same skills to effectively manage their districts The Superintendent as CEO identifies the knowledge and skill base needed by current and aspiring school district administrators to become high performing CEOs of their districts and schools The authors blend selected elements of the ISLLC and NCATE standards into the benchmark AASA Professional Standards for the Superintendency to outline the multiple ways of knowing and acting in the complex role of the CEO superintendent This scholarly and friendly research and field based curricula for district CEOs workshop planners and doctoral preparation programs thoroughly examines District vision and school culture Politics and school governance Internal and external communication Organizing for high performance Curriculum design and delivery Human resource management for student learning Intended for both practicing and aspiring superintendents this book will provide the foundation for developing and cultivating the CEO leadership values and skills that superintendents will find helpful in moving from simply knowing to becoming the CEO Resources in Education ,1998-12 The Effective School Leader's Guide to Management Jane L. Sigford,2005-10-07 Discover how to be a successful school leader and manager Exploring 15 vital topics as well as offering strategies and examples Jane L Sigford demonstrates how effective schools are a marriage of management and leadership Organized into three sections management and leadership theories managing the school and managing yourself this resource helps administrators understand the complexity of leadership and addresses the application of effective management skills to create successful learning communities Written for new and veteran school leaders this essential guide Acts as a handbook which contains an overview of individual components of school leadership normally scattered among many textbooks and resources Provides suggested resources for more in depth study Offers individual reflective practice questions throughout for personal use Suggests questions to help facilitate professional development group discussions especially among peers The Effective School Leader's Guide to Management illustrates how school administrators can run a school efficiently balancing their roles as instructional leaders and effective school managers while still having time to improve professional development foster parent and community relationships make data driven decisions and nurture personal growth and leadership **Managing Today's Schools** Jeffrey Glanz,2022-02-20 Successful principals today need skills in both management and leadership because both are essential to achieve success in all facets of running a school one is not necessarily more important than the other However there are not many books solely devoted to school management Most work on school management is part of larger works on school administration Managing Today's Schools New Skills for School Leaders in the 21st Century is unique

in that the focus on managerially operating a school does not hinder discussion on the interconnectedness between management and leadership. Additionally, emphasis is placed on 21st century cutting edge ideas about school management. Each chapter includes case study type scenarios with thought provoking questions that simultaneously summarize the chapter while also helping readers think about the ways they might put the ideas of the chapter into practice.

This is an original book representing perspectives derived from years of research and the authors' unique partnership and practical experience providing guidance for effective educational leadership in public and private schools and successful preparation of competent educational leaders. *Keys to Successful 21st Century Educational Leadership* is a book that will find its place on the desks of practicing educational leaders to aid them in meeting the numerous and unexpected educational challenges they face everyday.

An Evidence-based Approach to the Practice of Educational Leadership Ronald W. Rebore, Angela Lynn Evans Walmsley, 2007 This text presents a thorough and current best practice treatment of Educational Leadership in schools and school districts that addresses the complex use of quantitative and qualitative evidence in the decision making process. The text covers the full range of introductory issues faced by school leaders today and emphasizes areas that are critical and timely. The authors address standard leadership topics and also further explore current social, cultural, technological and economic realities. This text utilizes ISLLC/ELCC guidelines so that students can develop a leadership approach that reflects current standards and is organized around the processes and procedures necessary for implementing effective learning environments.
