there to solve the mystery surrounding the death of a young and promising congressman Filled with America's eccentric uber rich and powerful elites all fiercely dedicated to the club's secrecy Flynn is quick to discover that this is no ordinary hunting man's getaway and just as he begins to uncover conflicting evidence another member is found brutally murdered *Fletch and the Widow Bradley* Gregory McDonald, 2018-09-18 Young Fletch is less than pleased to be writing a business story something that's well outside his field of expertise Eager to get back out on the streets he quickly compiles what he thinks is a well executed article complete with quotes from the chairman of the board's recent memos But when he fails to do his due diligence when researching the company and its associates he finds himself in hot water and now out of a job The chairman has been dead for over a year Realizing his mistake he visits the widow Bradley to make amends and to ask a few simple questions But her strange demeanor and puzzling answers leave Fletch perplexed He can't help but wonder Why would a dead man still be writing memos to his associates Is he even dead With his interest now thoroughly piqued fueled by his desire to get the real story and take back his job Fletch puts his reporting skills to work as he dives into the mystery surrounding the Bradleys past Fletch's Fortune Gregory McDonald, 2018-09-04 Fletch as unbridled as ever and still living the good life in Italy on his ill gotten fortune gets a surprising visit from two surly FBI agents The pair offers him a deal either he attend the American Journalism Alliance convention and work as an undercover spy for them or be shipped back to headquarters and face jail time for tax evasion Reluctantly agreeing to the scheme he catches a red eye flight back to the States But just as rubber hits tarmac in Virginia news breaks on a murder at the convention The victim a newspaper tycoon and former employer of I M Fletch was no stranger to enemies And at a hotel full of reporters who'd all had their dealings with the tyrannical leader everyone's a suspect Fletch and the Man Who Gregory McDonald, 2018-10-16 Full of sharp witted commentary and rich details Fletch and the Man Who takes a satirical behind the scenes look inside the world of American politics Arriving on scene somewhere in middle America newly hired on as the press representative for Governor Caxton Wheeler's presidential campaign Fletch is unsure of what exactly he's supposed to be doing there Luckily the man who called him up for the job is his old war buddy Walsh Wheeler aide and son to the governor But just as Walsh is filling him in on the need to know informational tidbits a woman is found dead outside the very hotel they occupy and she's not the first or the last Struggling to corral the increasingly pushy press keep the votes coming in and do his own sleuthing Fletch is up against the clock to solve this mystery before the killer strikes again **Flynn** Gregory McDonald, 2019-05-07 Infusing elements of dark reality into this richly detailed comical series McDonald's first volume Flynn delves deeper into the curious character first introduced in the bestselling Fletch series Francis Xavier Flynn Early one morning as Boston's only investigator is returning home from solving another peculiar case he has the displeasure of witnessing a spectacularly horrible show outside his front door a massive aircraft carrying over one hundred souls exploding in midair over the harbor Almost immediately the Human Surplus League takes credit for the heinous act of terrorism But Reluctant Flynn isn't so

easily convinced unlike his partner and governmental counterparts Now finding himself at the whim of the tedious and ill mannered FBI agents as they follow bunk leads and question all the wrong suspects he decides to do his own digging employing family and encountering new friends and old acquaintances along the way As the truth begins to trickle forth Flynn finds himself staring down a much bigger and much deadlier problem **Flynn's World** Gregory

Mcdonald,2019-05-07 Inspector Francis Xavier Flynn also known as international superspy N N 13 returns in this final book of the intelligently written scintillating series by bestselling author Gregory Mcdonald Severely lacking in sleep from a recent bout of marathon investigative work all Flynn wants is a proper night's rest Unfortunately at the early morning summons of his frantic daughter he's off to the cemetery to rescue her young friend who's in quite a peculiar bind And as the day progresses a curious collection of puzzling cases fall into Flynn's lap each one stranger and more urgent than the last As Flynn plunges into harm's way in pursuit of the truth buried secrets and dark motives come to light as he races to solve each crime and bring these seemingly disconnected matters to a full and complete case closed
