DOUGLASS, AN AMERICAN SLAVE**

Slave Narrative Of Frederick Douglass

Frederick Douglass

Slave Narrative Of Frederick Douglass:

Narrative of the Life of Frederick Douglass, an American Slave Frederick Douglass, 2018-02-05 Narrative of the Life of Frederick Douglass is a memoir on abolition written by Frederick Douglass. It is held to be the most famous of a number of narratives written by former slaves during the 19th century. In factual detail, the text describes the events of his life and is considered to be one of the most influential pieces of literature to fuel the abolitionist movement of the early 19th century in the United States. Frederick Douglass (1818–1895) was an African American social reformer, abolitionist, orator, writer, and statesman. After escaping from slavery in Maryland, he became a national leader of the abolitionist movement in Massachusetts and New York, gaining note for his dazzling oratory and incisive antislavery writings.

Narrative of the Life of Frederick Douglass, an American Slave Frederick Douglass, 1982-01-01 The autobiography of the famous abolitionist and statesman who escaped to the North after twenty-one years of enslavement.

Narrative of the life of Frederick Douglass, an American slave. Written by himself. [With] Appendix Frederick Douglass, 1851

Narrative of the Life of Frederick Douglass Frederick Douglass, 2023-06-30 The Narrative of the Life of Frederick Douglass was written in 1845, seven years after Douglass escaped slavery, and is the first of three autobiographies. It covers his life as a slave enduring the whips of the overseers and the hopelessness of his circumstances until his escape to the north and arrival at New Bedford, Massachusetts. The brutalities he witnessed and his slowly growing desire for freedom are presented in the vivid language he was already known for in his antislavery oration. The eloquence of Douglass's speeches caused some skeptics to doubt his credibility, believing that a former slave with no education could never speak so well. Thus, part of his motivation for writing the book was to dispel this suspicion and to provide a fuller history than was possible in his lectures. The abolitionists William Lloyd Garrison and Wendell Phillips provided introductions vouching for the truth of Douglass's words. The book was an immediate best seller. The fame brought danger to Douglass, who sailed for England shortly after the book's publication to ensure he would not be apprehended as a fugitive slave. He spent two years touring and lecturing in Great Britain and Ireland before returning to America to continue his abolitionist work. English supporters raised funds to purchase his freedom from his former master. The slave narrative is an autobiographical genre written by escaped slaves concerning their lives in bondage. Slave narratives not only promoted abolitionism by giving first-hand evidence of the cruelty and hypocrisy of slaveholders but also allowed African Americans to express themselves as intelligent, articulate individuals deserving of respect and freedom. Douglass's Narrative is perhaps the most important example of the genre on the basis of its literary merits and its impact on the abolitionist movement.

Narrative of the Life of Frederick Douglass, an American Slave Frederick Douglass, 2016-10-25 A new edition of one of the most influential literary documents in American and African American history. Ideal for coursework in American and African American history, this revised edition of Frederick Douglass's memoir of his life as a slave in pre-Civil War Maryland incorporates a wide range of supplemental materials to enhance

students understanding of slavery abolitionism and the role of race in American society Offering readers a new appreciation of Douglass s world it includes documents relating to the slave narrative genre and to the later career of an essential figure in the nineteenth century abolition movement *Narrative of the Life of Frederick Douglass* Frederick Douglass,2005-06-07
