

# THE SLAVE

by Lucia Cox

## THE SLAVE:

Quick, quick! We don't have time to stand around chatting. The master and mistress are coming home and they'll be here soon! There's such a lot to do get the villa clean and tidy - and it's up to me to make sure everything is done in time!

My name is Nicia and I am thirty years old. I was the eldest of four children but I was sold by my father when I was little because the family had no money. He made sure I could read and write, though, so that I'd have a better life than the poor slaves without an education.

So I'm one of the lucky ones. I'm treated well - most of the time anyway - and I want to keep it that way. All the other slaves have been busy cleaning, tidying and cooking. And now it's time to inspect the house and see what they've been up to. You can come along too. Come on...

Here we are, first stop, the *atrium* - which is the very centre of the house, with a fountain in the middle. You hear the tap, tap, tapping? The master has employed a well-known craftsman and he's making a mosaic on the floor. Tapping away with a chisel. A mosaic is a picture made with tiny squares of coloured tiles. It's a picture of a big party with people dancing and feasting.

The master and mistress are going to have a big 'welcome home' party when they return so the picture has to be finished in time. He's been working on it for a month. It looks like he's just finishing the last little section. Well, if it's not finished on time, we'll just have to put a plant pot over it, won't we!

Come on, we can't stop here. There's so much to do...

Here we are. Next stop, the kitchen!
