Slave To The System:

From Slave to Untouchable Paul Kalra,2011 From Slave to Untouchable Lincoln s Solution challenges the assumption that the Civil War was fought to end black slavery Author Paul Kalra presents a convincing argument that by far the bloodiest war the U S has waged could have been avoided had slaveholders adopted the Catholic slave code which recognized the humanity of slaves By adopting the Protestant slave code and framing it into an undemocratic Constitution slaveholders created distinct slaveholder and non slaveholder classes and denied blacks citizenship This inevitably led to economic and political dilemmas that became insurmountable once immigrants flooded the slave free North and Lincoln was elected President

The System Engineers Handbook John Black,2012-12-02 The System Engineer s Handbook written by the developer of the VME bus system and some of the most knowledgeable experts in the computer industry is the most comprehensive guide available for the VME bus standard It is the system engineer s guide to building high performance multiprocessor systems This book contains complete copies of VME bus and VXI bus specifications and applications information enabling a system engineer to purchase state of the art board components from specialized manufacturers and assemble them into a fully functional system
