

The Slavery Ghosts

by Luke Wallin

Slavery Ghosts

Nancy Rhyne

Slavery Ghosts:

The Slavery Ghosts Luke Wallin, 2001-07-22 Jake thirteen and his sister twelve live at Tapalyla Hill a Mississippi mansion built before the Civil War In their garden they meet Sarantha a ghost who ll do anything to free her daughter Darcy from the evil beneath the house Jake and Livy pass through a timegate to attempt the rescue They will bring back a far better grasp of their own family and culture than they could have imagined

Haunted Plantations Geordie Buxton, 2007 A shackled West African tribe drags themselves off a slave ship while singing drowning in a Georgia creek to avoid being sold Mysterious letters from a long ruined church near Mepkin Abbey solicit a man to join faith A French teacher disappears from a school after marking final exams in blood An Egyptian mummy triggers a heart attack in a city museum These stories and more are wrenched from the gravest parts of America s past real lives of people on plantations from Savannah and the coast of the Carolinas Most deal with the hub of the East Coast slave trade Charleston South Carolina All are richly illustrated with both historic and contemporary images Dwelling in the affairs of plantation life is to tread the fires of emotionally raw history Sifting through the folklore and legends the old hushed embers of the south ignite once again in this collection While these stories relate encounters with the supernatural readers will find that what actually happened here doesn t always need a ghost to be disquieting

Slave Ghost Stories Nancy Rhyne, 2002 A compilation of stories borrowed from former slaves of North Carolina South Carolina and Georgia These tales were gathered by the WPA in the years 1935 1939 The slaves were asked questions about their family history and the widespread belief in spirits of various sorts According to these stories the five main creatures that walked the night were hags hants boo daddies plat eyes and ghosts All had separate characteristics Hags disguised themselves as regular people but a midnight they would shed their skin and torment their enemies draining them of their energy Hants lived in trees and would torture their victims day and night Boo daddies were reincarnations of witch doctors Plat eyes could take the form of an animal sometimes changing from one animal to another Ghosts were seen coming out of graveyards at night This book relates the stories of these spirits based upon eyewitness accounts of former slaves

Slavery's Ghost Richard Follett, Eric Foner, Walter Johnson, 2011-11-01 Three thoughtful contributions attempt to deepen and extend an emerging discussion about the limits to African American freedom and autonomy Slavery Abolition President Abraham Lincoln freed millions of slaves in the South in 1863 rescuing them as history tells us from a brutal and inhuman existence and making the promise of freedom and equal rights This is a moment to celebrate and honor to be sure but what of the darker more troubling side of this story Slavery s Ghost explores the dire debilitating sometimes crushing effects of slavery on race relations in American history In three conceptually wide ranging and provocative essays the authors assess the meaning of freedom for enslaved and free Americans in the decades before and after the Civil War They ask important and challenging questions How did slaves and freedpeople respond to the promise and reality of emancipation How committed were white southerners to the principle of racial subjugation And in what ways can we best interpret the

actions of enslaved and free Americans during slavery and Reconstruction Collectively these essays offer fresh approaches to questions of local political power the determinants of individual choices and the discourse that shaped and defined the history of black freedom Written by three prominent historians of the period Slavery's Ghost forces readers to think critically about the way we study the past the depth of racial prejudice and how African Americans won and lost their freedom in nineteenth century America

Tales from the Haunted South Tiya Miles, 2015-08-12 In this book Tiya Miles explores the popular yet troubling phenomenon of ghost tours frequently promoted and experienced at plantations urban manor homes and cemeteries throughout the South As a staple of the tours guides entertain paying customers by routinely relying on stories of enslaved black specters But who are these ghosts Examining popular sites and stories from these tours Miles shows that haunted tales routinely appropriate and skew African American history to produce representations of slavery for commercial gain Dark tourism often highlights the most sensationalist and macabre aspects of slavery from salacious sexual ties between white masters and black women slaves to the physical abuse and torture of black bodies to the supposedly exotic nature of African spiritual practices Because the realities of slavery are largely absent from these tours Miles reveals how they continue to feed problematic Old South narratives and erase the hard truths of the Civil War era In an incisive and engaging work Miles uses these troubling cases to shine light on how we feel about the Civil War and race and how the ghosts of the past are still with us

Ghosts of the African Diaspora Joanne Chassot, 2018-01-02 The first monograph to investigate the poetics and politics of haunting in African diaspora literature Ghosts of the African Diaspora Re Visioning History Memory and Identity examines literary works by five contemporary writers Fred D Aguiar Gloria Naylor Paule Marshall Michelle Cliff and Toni Morrison Joanne Chassot argues that reading these texts through the lens of the ghost does cultural theoretical and political work crucial to the writers engagement with issues of identity memory and history Drawing on memory and trauma studies postcolonial studies and queer theory this truly interdisciplinary volume makes an important contribution to the fast growing field of spectrality studies

Ghosts of Slavery Jenny Sharpe, 2003

Ingersoll's 'ghosts'. An examination of R.G. Ingersoll's objections to the Bible; contained in his lectures on 'Ghosts', 'Hell', etc John C. Stuart, 1885

Slavery Krista Warnock-Carman, 2000-03 Literature based curriculum wide teaching materials focusing on the history of slavery

The True Stories of American Slaves Work Projects Administration, 2022-11-13 In *The True Stories of American Slaves* the Work Projects Administration WPA delves into the rich often painful tapestry of African American history through firsthand accounts of former slaves This collection produced during the Great Depression as part of the Federal Writers Project showcases the voices of individuals who endured the brutal realities of slavery and later sought to recount their experiences The literary style is characterized by a raw authenticity preserving the dialects and expressions of its narrators which adds a poignant texture to the narrative and creates an immersive historical context that is both engaging and enlightening The WPA was established in the 1930s to provide jobs and stimulate the economy by employing writers

artists and intellectuals The initiative to collect personal narratives from former slaves stemmed from a recognition of the importance of preserving African American history and culture during a time when those voices were at risk of being silenced This undertaking exemplifies a collective effort to confront the past and address the legacies of oppression emphasizing the necessity of acknowledging history in the face of ongoing racial injustices This book is essential reading for anyone interested in American history African American studies or the narratives that shape our understanding of identity and resilience By providing direct access to the voices of those who lived through slavery The True Stories of American Slaves serves as a powerful reminder of the complexities of history and the importance of memory in shaping a more just society
